Maryville College. Junior Class.

THE
CHILHOWEAN
1928

PUBLISHED ANNUALLY BY THE JUNIOR CLASS
MARYVILLE COLLEGE
MARYVILLE, TENNESSEE

To

EDWIN RAY HUNTER, M. A., Ph.D.

Because we love the man. We love him as a teacher for his foresight and genuine ability; as a gentleman for his sense of honor and unselfishness; as a man for those humane, understanding qualities that make him dear to us all, and as a friend for his ability to listen and to give council. In appreciation for all he has done for us, we dedicate this 1928 Chilhowean.

DR. EDWIN RAY HUNTER

IN the compilation of this annual our theme has been the Great Smoky Mountains. The founders of this college loved and were inspired by them, and we feel it in keeping with the Maryville Spirit to use mountains as our decorative theme.

Slowly, but with great precision, moments pass into hours, hours into days, days into months, and months into years. Time waits for no man, yet, though Time is unsympathetic with our present needs, she leaves us a panacea for our idle hours in the years ahead, Memory.

Our days of toil will be held inconsequential if, in the years to come, by turning these pages you may spend a happier hour in your Garden of Memories.

*Within these walls lives one whom we all love,
Dr. Wilson.*

*Memory, Memory, Memory.
These paths have made you dear to youthful hearts.*

*These shady paths are well content,
To lead us unto knowledge and to health.*

J. GORDON JEFFRIES, A.B.

ALPHA SIGMA

MILFORD, NEW JERSEY

Alpha Sigma President (4), Vice-President (3), Program Secretary (3, 4); Graduate in Expression (3); Maryville College Players (1, 2, 3, 4); Alpha Sigma Mid-Winter (1, 2, 4); Theta Epsilon Mid-Winter (3); Triangle Club (1, 3, 4), President (3); Friendship Council (1, 3); Theta Alpha Phi (4); Student Council (3, 4); Writers' Workshop (4); Varsity Debate (4); Class President (4).

There is so much we could say about our President that it is hard to draw the line. But there is one thing we'll all agree upon and that is, the class of '28 would certainly have not been the class it is without Gordon as our leader. And too, we wonder just what Alpha Sig will do in the future without him in the Mid-Winters. But we're sure Gordon, you'll meet with the same success in everything you attempt, and we wish you the best o' luck.

NELLE WATKINS, A.B.

BAINONIAN

LOUDON, TENNESSEE

Class Editor (2), Treasurer (3), Vice-President (4); Varsity Debate (1, 2, 3); Pi Kappa Delta (1, 2, 3, 4), Council (3); Y. W. C. A. Cabinet (3); Pep Committee (3, 4); Graduate in Expression (3); Athenian Mid-Winter (2); Bainonian Mid-Winter (4); Maryville College Players (3); Theta Alpha Phi (3, 4), Secretary (4); Program Secretary Bainonian (2, 4), President (4).

No more pep and life could possibly be stored up in one person than we find in our own Nelle. Ever since she hit this place she has been in charge of socials, programs, stunts, and everything that needs pep. She is also renowned for her debating ability, and her qualities as a public speaker were recognized soon after she became enrolled in the freshman class. To make a long story short, Nelle is a good sport and a true friend.

INZA SUE MARLER, A.B.

THETA EPSILON
CLEVELAND, TENNESSEE

Treasurer of Class (4); Nu Gamma (2); Bradley County Club (3); Treasurer Theta Epsilon (3), Program Secretary (2); Chairman of Mid-Winter Committee (4); Home Economics Club (4).

We feel rather sorry for the girls in Pearsons next year, for there will be no Inza, sitting in a window on third, strumming a uke—and we fear there's no one to take her place. But that isn't all that Inza can do. She's one of those domestic souls who would be an asset to any man. That she may have health, wealth, and happiness is our wish for her.

VERA MAE BOWDEN, A.B.

BAINONIAN
CROSSVILLE, TENNESSEE

Chemistry Assistant (2, 3, 4), Chemistry Club (2, 3), Editor (2, 3); Middle Tennessee Club (2, 3, 4); Student Volunteer Band (4); Interracial Commission (4); Class Secretary (4).

So little and pensive, that's Vera. She may be little in size, but she has a great outlook on life, and is interested in the unfortunate ones. Is there a greater ambition? We hardly think so, unless it might be—to seek "De-haven" of love and matrimony. Whichever, Vera will rank the best.

ELIZABETH CROW, A.B.

THETA EPSILON
ATHENS, TENNESSEE

Biology Assistant (2, 3); English Assistant (2, 3, 4); Society Debate (2), Varsity Debate (3, 4); Critic Theta Epsilon (4); Highland Echo Staff (3); Pi Kappa Delta (3, 4); Program Secretary Spanish Club (4); Class Editor (4); Theta Epsilon Mid-Winter (4); Writers' Workshop (4).

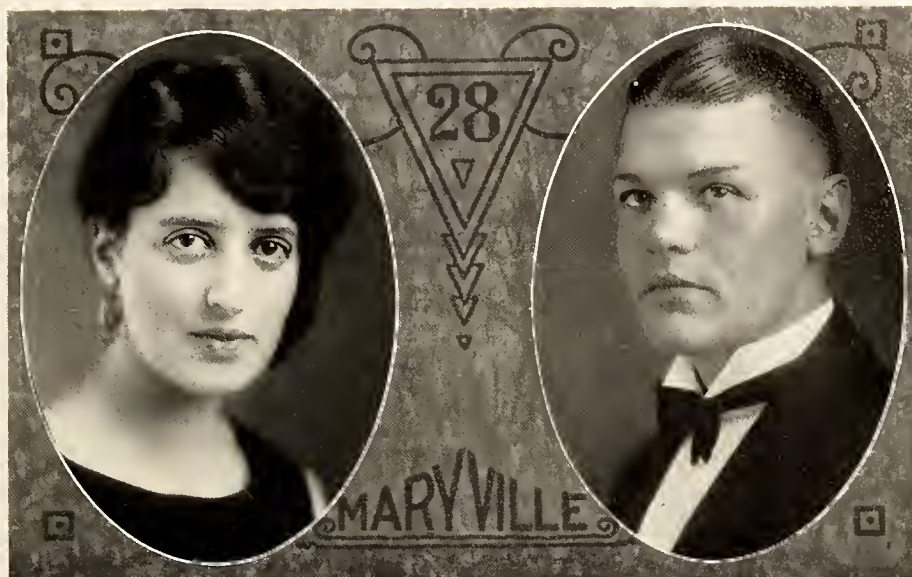

We're wondering just what kind of a career Elizabeth will choose. She has an ever ready flow of words which baffles the most of us, and her soul is truly literary. We certainly don't think of her as a domestic being, but she may acquire that trait some of these days and each morning will find her still washing the breakfast dishes with Keats' poems somewhere within reading distance. With her ability to do and to do well whatever she undertakes, we know she'll succeed.

AMY WRIGGINS

MASCOT

May we introduce as our senior class mascot, this most charming little miss? She is none other than the daughter of one of our most brilliant classmates, John T. Wriggins. The senior class owes him a debt of gratitude for providing us with such a delightful little mascot. With such a heritage as the brains and capability of her father, and the sweetness and good looks of her mother, she will certainly go far in this world. We hope she chooses Maryville for her college.

MARY FANT, A.B.

BAINONIAN
ATHENS, GEORGIA

Home Economics Club (4), Editor (4); Georgia Club (1, 2, 3, 4), Editor (4); Chemistry Club (1); Art Club (2, 3, 4), Secretary and Treasurer (2, 3, 4).

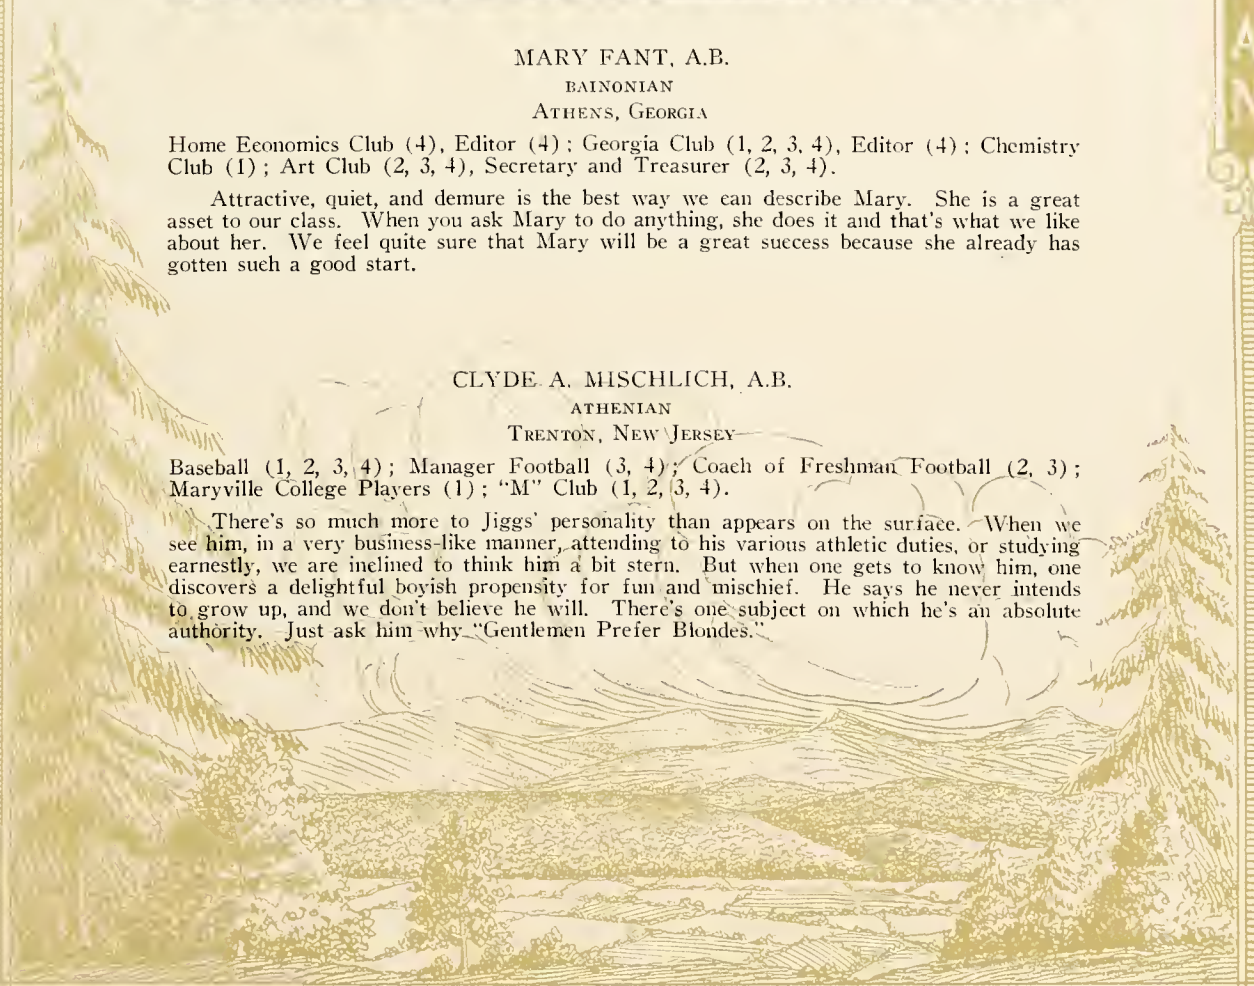

Attractive, quiet, and demure is the best way we can describe Mary. She is a great asset to our class. When you ask Mary to do anything, she does it and that's what we like about her. We feel quite sure that Mary will be a great success because she already has gotten such a good start.

CLYDE A. MISCHLICH, A.B.

ATHENIAN
TRENTON, NEW JERSEY

Baseball (1, 2, 3, 4); Manager Football (3, 4); Coach of Freshman Football (2, 3); Maryville College Players (1); "M" Club (1, 2, 3, 4).

There's so much more to Jiggs' personality than appears on the surface. When we see him, in a very business-like manner, attending to his various athletic duties, or studying earnestly, we are inclined to think him a bit stern. But when one gets to know him, one discovers a delightful boyish propensity for fun and mischief. He says he never intends to grow up, and we don't believe he will. There's one subject on which he's an absolute authority. Just ask him why "Gentlemen Prefer Blondes."

MAYNARD L. DUNN, A.B.

ALPHA SIGMA
MARYVILLE, TENNESSEE

Varsity Football (2, 3, 4); "M" Club (2, 3, 4); Maryville College Players (1, 2); Alpha Sigma Mid-Winter (1, 2, 3, 4); Theta Epsilon (2); Chilhowean Feature Section (2).

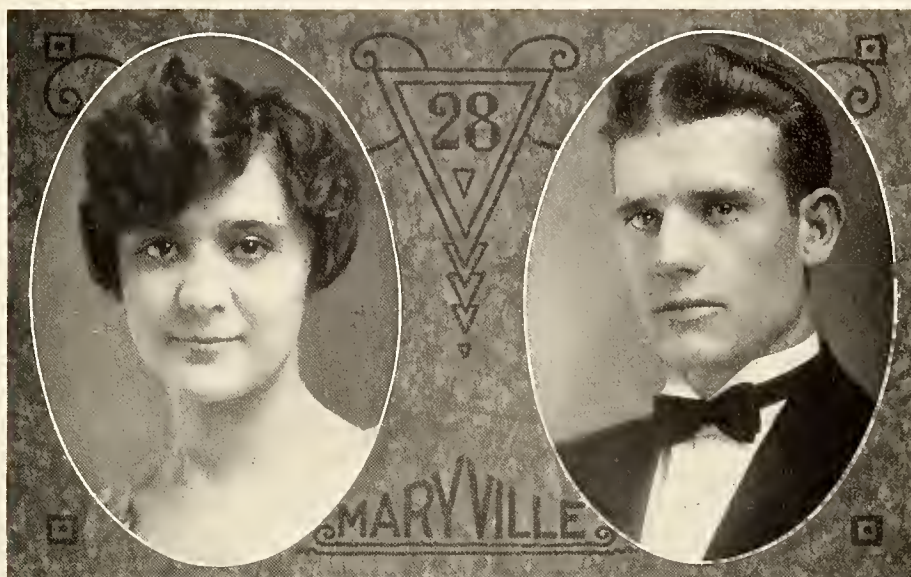

If the man who wins is the man who excels, then Maynard sure is a winner and he's not a one-line man either. We've seen him behind the footlights and the football too. Irrepressible—that he is—anyone will agree, whether faculty or students. You tickle our sense of humor, Maynard, and we like that. "Laugh and the world laughs with you." Won't the world be tickled when we turn Maynard loose!

MARY CALDWELL CLOPTON, A.B.

BAINONIAN
HUNTSVILLE, ALABAMA

Y. W. C. A. Cabinet (3), Treasurer of Y. W. C. A. (4); Student Council (3); Bainonian Editor (3), Vice-President (4), Critic (4); Graduate in Art (4); Art Club (2, 3, 4), President (3, 4); Home Ec Club (4); Alabama Club (1, 2, 3, 4); Nu Gamma Sigma Leader (4); English Assistant (2); Home Economics Assistant (3, 4).

We've seen her standing on tables to decorate ceilings for Junior-Senior banquets; we've seen her running around getting up programs; we've seen her over in the Practice House preparing dinner; we've seen her typing tests for Miss Sheldon; we've seen her painting portraits; we've seen "A's" she has made. Can you wonder at such a versatile and talented young lady's having such a host of friends, especially when she has combined with it a sterling character and a sunny disposition?

JAMES CATHERINE RULE, A.B.

THETA EPSILON
ATLANTA, GEORGIA

Y. W. C. A. Cabinet (1, 2, 3, 4); Graduate Voice (3); Post-Graduate Voice (4); President Theta Epsilon (4); Program Secretary (2); Echo Staff (2, 3); Vesper Choir (1, 2, 3, 4); Alabama Club (1); Sponsor Glee Singers (2); College Orchestra (1, 2, 3, 4); Pep Committee (2); Athletic Board of Control (4); Nu Gamma Leader (1, 2), Chairman (3); Glee Singers Comic Opera (2); Basketball Squad (1, 2); Theta Mid-Winter (2, 4); Alpha Sigma Mid-Winter (3); Georgia Club (2, 3, 4), Vice-President (4); May Day Chairman (1); Class Swimming Team (1, 2).

One doesn't wonder when one looks at Jimmie, why there is so much personality literally bursting forth from her eyes and smiles and voice when one realizes what she is. Have you ever known anyone who is such an all-round girl who can and will do anything you ask her to, and who can put you in the seventh heaven of delight by warbling for you?

JESSE EARL McCALL, A.B.

ATHENIAN
MARYVILLE, TENNESSEE

Football (1, 2, 3, 4); Basketball (1, 2, 3, 4); Baseball (1, 2, 3, 4), Captain Baseball (3); Assistant in Coaching Football and Basketball.

It is rather unusual for a fellow to carry the pigskin one season and then help to teach the rest of the fellows the following season how to carry it. But Shorty is an unusual fellow and he should attain great heights in the athletic world. A bit of advice to you Shorty—"Success lies not in achieving what you aim at, but in aiming at what you ought to achieve, and pressing forward, sure of achievement here, or if not here, hereafter."

PEARL VIRGINIA STEPHENSON, A.B.

BAINONIAN

SWANNANOA, NORTH CAROLINA

Asheville Normal (1); North Carolina Club (2, 3, 4); Spanish Club (4); Writers' Workshop (4); Class Basketball (4).

Pearl has upheld the ancient institution of moonshining quite faithfully, and this is no small accomplishment. "Mac" may have rather monopolized her time and interest, but we all know her as one of the most attractive girls in the class of '28, combining sparkling good-humor, friendliness, and capability in all positions of trust.

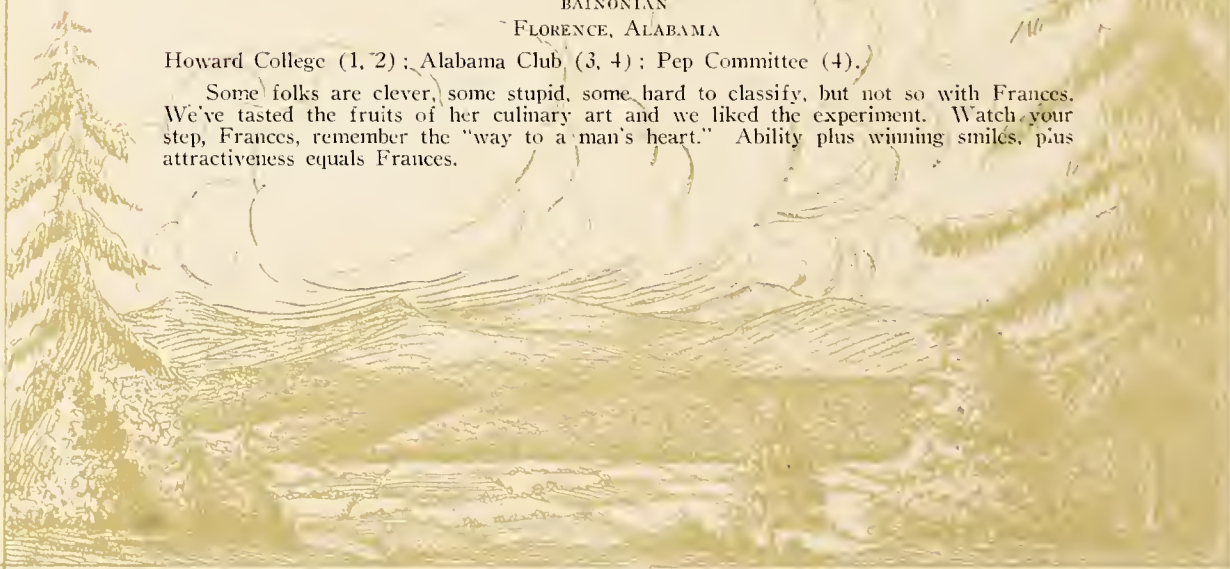

FRANCES EASLEY, A.B.

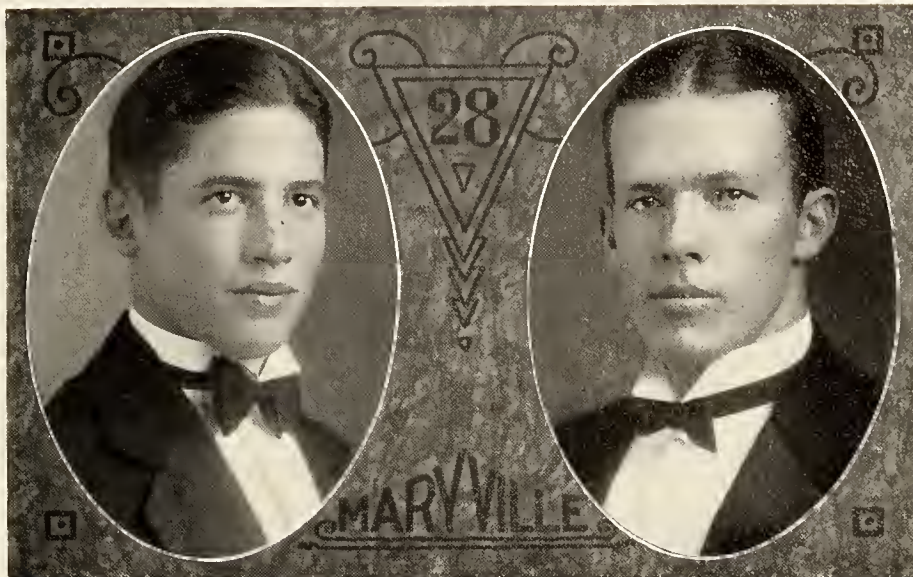

BAINONIAN

FLORENCE, ALABAMA

Howard College (1, 2); Alabama Club (3, 4); Pep Committee (4).

Some folks are clever, some stupid, some hard to classify, but not so with Frances. We've tasted the fruits of her culinary art and we liked the experiment. Watch your step, Frances, remember the "way to a man's heart." Ability plus winning smiles, plus attractiveness equals Frances.

WALTER W. BUCHANAN, A.B.

ATHENIAN
Kobe, Japan

Glee Singers (2, 3, 4), President (4); Varsity Quartet (3, 4); Y. M. C. A. Circus (1, 2); Vesper Choir (1, 2, 3, 4); Glee Singers Comic Opera (2); Class Football (3); Swimming Instructor (1, 2, 3); Life Saving Examiner (2, 3, 4); Class Swimming Team (1, 2, 3, 4); Varsity Swimming Team (4).

Music and Buck, if not synonymous terms, are at least closely related. We're going to miss him terribly at musical affairs next year, and in a number of other phases of campus life, too. Buck's "just the type" that always has plenty of smiles ready, and he's not stingy with them, either.

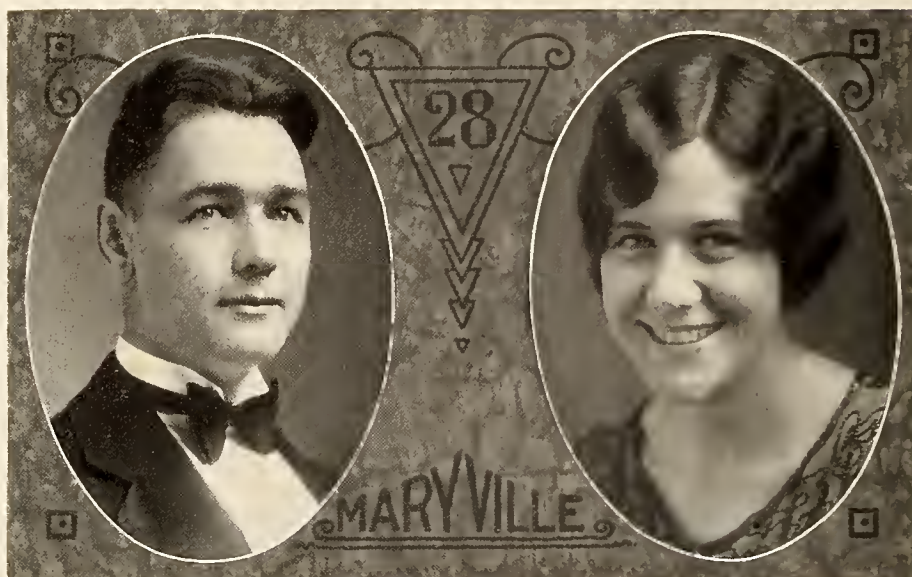

JOHN T. STONE, A.B.

MULBERRY, TENNESSEE

Football (1, 2, 3, 4), Captain (4); Baseball (1, 2, 3, 4), Captain (4); Vice-President Athletic Board of Control (2), President (4); Track (3, 4).

"Every man is a volume if you know how to read him." And during the past four years, many of us have learned to read John and appreciate him. We attribute our successful season of football largely to him, for the squad followed him as they would have followed no other man. He's a wonder when it comes to pitching a baseball, too. It's worlds of luck we hope he'll find in Detroit in June.

CHILDHOOD

H. STIRL RULE, A.B.

ATHENIAN

SEVIERVILLE, TENNESSEE

Athenian Mid-Winter (3, 4); Member Theta Alpha Phi (4); College Players (1, 3, 4); Class Football Team (2, 3); Friendship Council (1, 2); Class Swimming Team (3); Athenian Mid-Winter Committee (4); Graduate in Expression (4).

Stirl is another one of these noble souls who has the courage to stick to a Pre-Med course. In spite of his heavy duties in Chemistry and Cat-anatomy, Stirl still finds time to graduate in Expression, do valuable work in the Mid-Winters, and prove his loyalty in many ways to Athenian and to his class. We expect him to be a famous surgeon some day.

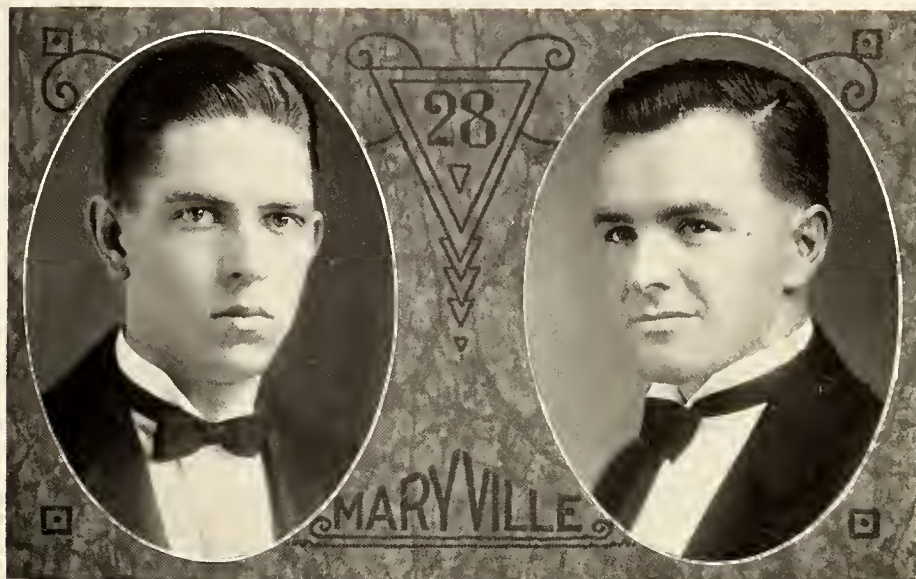

EMILY McDERMID MINTON, A.B.

BAINONTIAN

MARYVILLE, TENNESSEE

Intercollegiate Debate (1, 2, 3, 4); Pi Kappa Delta (1, 2, 3, 4), Vice-President (4); Maryville College Players (4); Graduate in Expression (4); Vice-President Bainontian (4); Spanish Club (4), Vice-President (4); Class Basketball (4).

Aside from the fact that Emily is so capable of making an "A" when she desires, we have reason to believe she is just as capable of building aircastles, and for a girl like Emily we want the best of everything and so we hope her aircastles will some day be a reality. Next year, when you are polishing the minds of the younger generation, Emily, don't forget to think once in a while of us who were your fellow sufferers while you were obtaining your brush.

WENDELL W. CRUZE, A.B.

ATHENIAN

MARYVILLE, TENNESSEE

Chilhowean Staff (3); Spanish Club (4).

Wendy is the kind you just can't help liking. He's one of Maryville's products that's going to be mightily missed. Anyone that's ever known Wendy can never forget his good nature, his sincerity, and his willingness to do anything to help a friend.

ERNEST JOHN FREI, A.B.

ALPHA SIGMA

ALTSTETTEN-ZURICH, SWITZERLAND

Recording Secretary Alpha Sigma (1), Treasurer (2), Program Secretary (3), Mid-Winter Committee (1, 2, 3, 4); President Student Volunteer Group (2); President State Student Volunteer Union (2, 3); Member General Council Student Volunteer Movement (3, 4); Y. M. C. A. Cabinet (2, 3); Friendship Council (2, 3); Chairman Committee for Semi-Centennial (3); President East Tennessee Student Interracial Commission (4); Assistant Lamar Memorial Library (2, 3, 4); Writers' Workshop (4).

There is always quite a glamour of romance and mystery about people from foreign lands, and Ernest, from his picturesque Switzerland, is no exception. He has a sturdiness and steadfastness of character that puts some of us Americans to shame. His name characterizes him. He never undertakes anything flippantly. His mind is ever reaching out to grasp something new, and he is ever reaching out to grasp opportunities for development and advancement. He has the faculty of making friends, too; all in all, he's a dandy worker and a good scout, and we like him fine.

CHILHOWEAN

JOE LEON MARSHALL, A.B.

ATHENIAN

ROCKFORD, TENNESSEE

East Tennessee State Teachers' College (1); Class Football (3); Class Basketball (2, 3); Class Baseball (2, 3, 4); Highland Echo Staff (4).

Quiet and consistent—as reliable as we could ask him to be—that is Joe Marshall. If the great secret of happiness is to throw one's self into the circumstances that surround one, then we predict much happiness for Joe. He has found his place on College Hill as he will find it in life, for he, in truth, is master of his fate and captain of his soul.

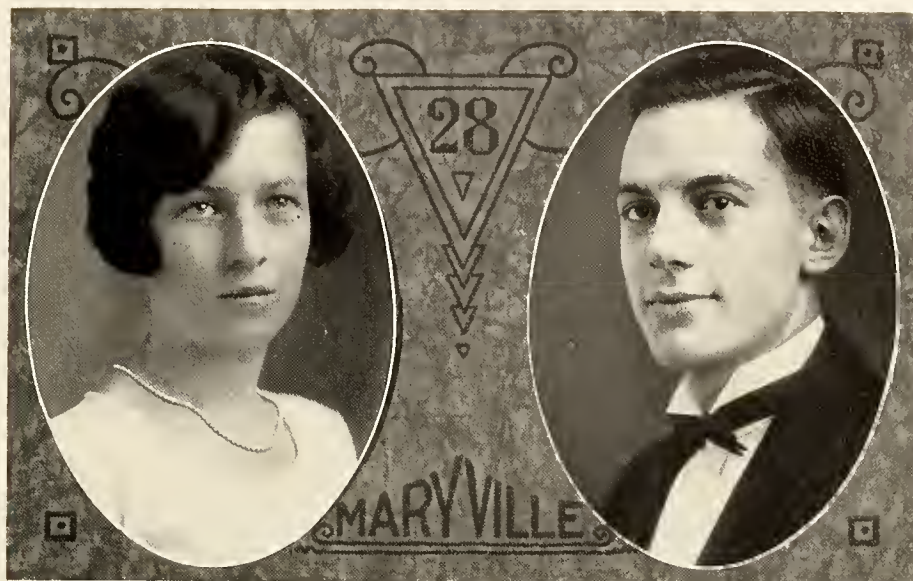

JOSEPHINE PARKER, A.B.

BAINONIAN

SHELBYVILLE, TENNESSEE

Varsity Debate (2, 3); Pi Kappa Delta (2, 3, 4); Secretary Bainonian (3), Treasurer (4); Secretary Y. W. C. A. (3), Cabinet (4); Nu Gamma Sigma Leader (3); Graduate in Expression (4); Maryville College Players (4); Student Council (4); The Chilhowean Staff (3); Blue Ridge Delegate (3).

We will not forget this smiling member of our class. Jo has a smile and a pleasant word for everybody and a rare sense of humor that brings a smile to even the most sober countenance. Our class is proud of Jo for her Expression work, having received a diploma from the Expression Department this year. Jo is finishing her college career in fine fashion, having been elected as class representative in the Chilhowean beauty contest and "Queen of May." May life hold for you health, happiness and success in your every endeavor!

ADA L. BURNS, A.B.

BAINONIAN

MARYVILLE, TENNESSEE

She lives out in town, so it's been rather hard to get acquainted with her. But we've all noticed her ability in classroom work, and her sweet and cheerful friendliness. Surely these qualities will make her successful in whatever she undertakes.

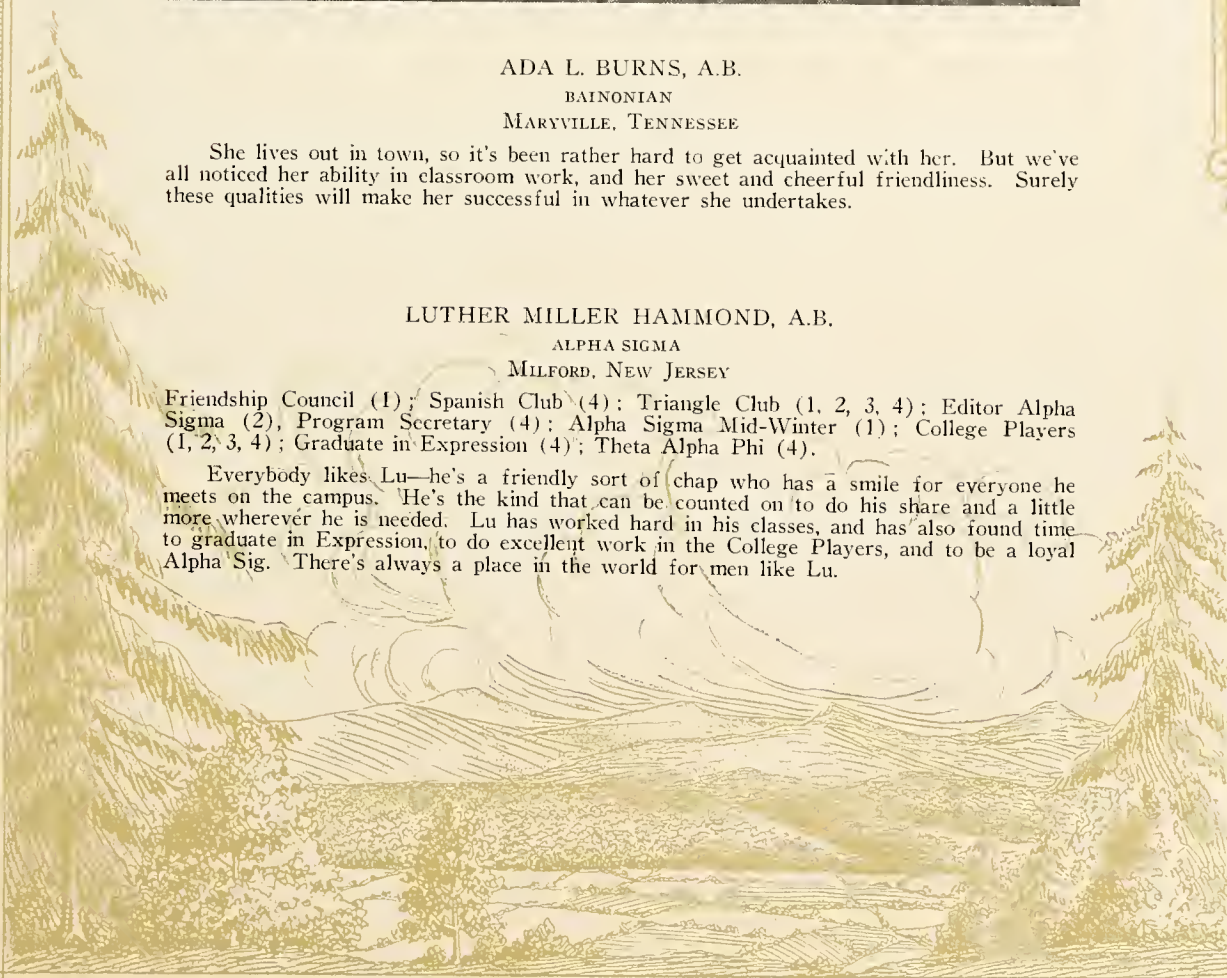

LUTHER MILLER HAMMOND, A.B.

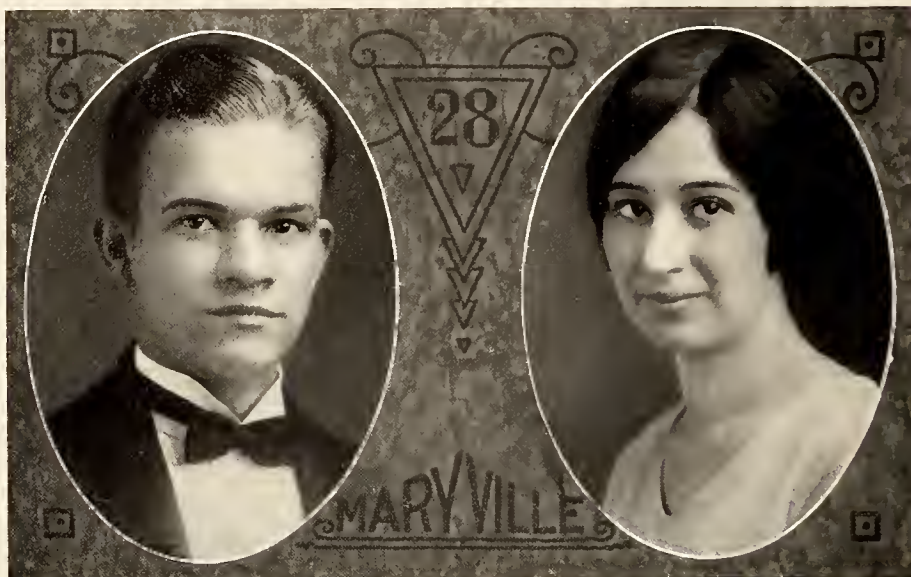

ALPHA SIGMA

MILFORD, NEW JERSEY

Friendship Council (1); Spanish Club (4); Triangle Club (1, 2, 3, 4); Editor Alpha Sigma (2), Program Secretary (4); Alpha Sigma Mid-Winter (1); College Players (1, 2, 3, 4); Graduate in Expression (4); Theta Alpha Phi (4).

Everybody likes Lu—he's a friendly sort of chap who has a smile for everyone he meets on the campus. He's the kind that can be counted on to do his share and a little more wherever he is needed. Lu has worked hard in his classes, and has also found time to graduate in Expression, to do excellent work in the College Players, and to be a loyal Alpha Sig. There's always a place in the world for men like Lu.

WILBUR M. FRANKLIN, A.B.

ATHENIAN
ERWIN, TENNESSEE

Class President (2); Freshman Debate (1); Varsity Debate (3, 4); Y. M. C. A. Cabinet (2, 3, 4); Athenian Mid-Winter (1, 2, 4); Bainonian Mid-Winter (3); Pi Kappa Delta (1, 2, 3, 4); Varsity Tennis (3); President Student Volunteer Band (4); College Players (4); President Student Council (4); Vesper Choir (1, 2, 3, 4); Program Secretary Athenian (3); College Band (1, 2).

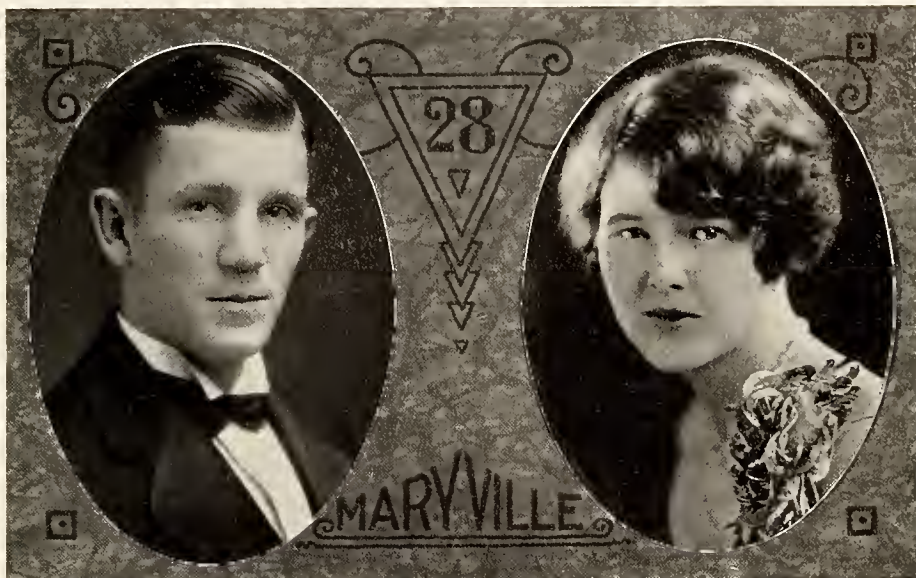

Speaking of being versatile, Wilbur is one to whom this term may aptly be applied. He has proven himself worthy along many lines, including tennis, dramatics, music—vocal and otherwise, debating, and an executive leader in general. We might also add that he is a gentleman in every sense of the word, having come by this title by his genuineness of character and his high ideals. Although an ardent worker throughout his college career he has always found time for moonshining, thus completing the requirements for an all-round student. Wilbur's native home was in Siam, and he is planning to return there as a missionary. Our best wishes go with him for success in his great work.

LUCY BROWDER HORTON, A.B.

THETA EPSILON
CLEVELAND, TENNESSEE

Student Council (2, 4); Y. W. C. A. Cabinet (3, 4); Vice-President (3); Athletic Board of Control (3); Sponsor of Glee Club (2); Assistant in Piano (2, 3, 4); Treasurer of Theta Epsilon (2); President (3); Pep Committee (2, 3); Echo Staff (3); Alpha Sigma Mid-Winter (3).

Some one was heard to say the other day, "Lucy can do anything," and we find this to be quite true. But please don't infer from the statement that Lucy is a "Jack of all trades," because everything she does is done well and she can always be depended upon to do her share and more too, wherever she is needed. And speaking of good sports, well, you can find none better than Lucy. She will be sadly missed by the Music Department next year for you know she is a marvel at the piano. It will only be a matter of time until we will hear great things of Lucy.

WILLIAM DAVID SNEED, B.A.

ALPHA SIGMA

MANCHESTER, TENNESSEE

Football Squad (1, 2, 3, 4), Varsity Football (4); Basketball (2, 3, 4); Varsity "M" Club (2, 3, 4); Varsity Baseball (2, 3, 4).

This man has given a great deal to his college in the way of effort. Not a star, but he has made up for all this with his never-say-die spirit and his determined effort. Pete made a great little halfback and a nifty catcher. He has a grin that you could tell in a monkey show, and it is that same grin that made Pete dear to us all. Pete leaves us with a good knowledge of the fundamentals of athletics and a determination to make the world know that there is a man around from Maryville.

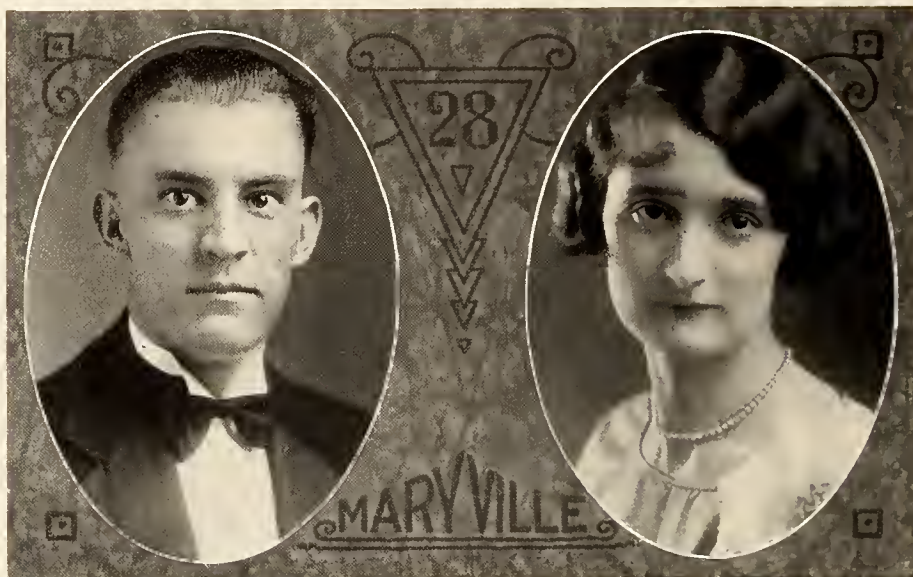

ELIZABETH JOHNSON, B.A.

BAINONIAN

NASHVILLE, TENNESSEE

Spanish Club (1, 2, 3, 4); Tennessee Club (1, 2, 3, 4).

Miss Mary Elizabeth Johnson if you please. Yes, friend, you are now in the presence of one of the brightest, most studious persons that we have at Maryville. Couple with this a pretty face, a mass of lovely brown hair and a winning smile and you will readily understand why Elizabeth is one of our favorites. During her four years at Maryville she has been an ardent worker in our class, and a strong supporter of the Maryville spirit. Wherever she goes after June, she will make friends and keep them always. Mary Elizabeth, we wish you success, and may success and prosperity attend your every effort.

NOAH M. WEBSTER, A.B.

ATHENIAN

HARRIMAN, TENNESSEE

Varsity Baseball (1), Class Baseball (2, 3); Class Football (3); Assistant Director Physical Education (4).

He isn't the dictionary man, nor the statesman, even though some call him Daniel. He's just Noah because he is so likable, and a better sport can't be found anywhere. Noah has been rather shy of the opposite sex, but perhaps somewhere else, "There's a reason." He has made a successful preparation for life and we wish him this—live it well.

BUENA HIXON, A.B.

BAINONIAN

PIKEVILLE, TENNESSEE

Chemistry Club (2); Assistant in Home Economics (3); Secretary Home Economics Club (4).

Buena carries around under that quietness of hers, one of the sweetest personalities we have ever known. She is always cheerful—always at peace—and if any cloud hangs over that red head of hers, we never know it. If Buena continues as she has started, men knowing her shall say with Henry Ward Beecher—

"Blessed are the happiness makers,

Blessed are they who know how to shine on one's gloom with their cheer."

CONSTANCE FITZGERALD, A.B.

BAINONIAN

BILTMORE, NORTH CAROLINA

Graduate Asheville Normal; Tarheel Club (4); Chemistry Club (4); Vesper Choir (4); Class Basketball (4).

Constance entered Maryville the second semester of her Junior year, and we all realize what we missed by not having her with us sooner. Since entering our class, she has lent her energies and her talents untiringly to class and school activities. With her sunny disposition, and ready wit, we feel sure that she will win the hearts of all her pupils, wherever she teaches.

PERRY LOCKWOOD KEYS, A.B.

ATHENIAN

INDIAN SPRINGS, TENNESSEE

Class Basketball (1, 2, 3, 4); Class Baseball (1, 2, 3, 4); Varsity Squad Basketball (1, 2, 3, 4).

Perry is one of the smallest members of our class, yet he has "broad" ideas, "broad" views and a "broad" aim in life. When he attains this "broad" ideal he is seeking, we wish him happiness. Perry has helped to make our class basketball games star games because of his ability as an all-round guard. We hope he plays the game of life as well as he does the game of basketball.

"Bill" has decided that one of the best ways to make the Miles merry is to use that deep bass voice of his to its utmost capacity. Seriously though, one of our nicest memories of Senior parties is of Bill's songs. He has been a loyal member of our class and we have found him "a valiant and most expert gentleman" during our four years' acquaintance with him. Our best wishes go with him into his chosen profession.

MARGARET WALKER, A.B.

THETA EPSILON
MARYVILLE, TENNESSEE

Carson-Newman College (2).

Margaret Walker could never be any one but "Peg" to us, for she comes and goes among us in quiet, charming friendliness. She is characterized by a keen intellect and a flair for the art of dress that has won for her the distinction of being the "best dressed girl on the Hill." Our kindest and best wishes go with "Peg."

LILLIAN JACKSON, A.B.

BAINONIAN

BIRMINGHAM, ALABAMA

Home Economics Club; Alabama Club; Bainonian Mid-Winter (2, 4); Program Secretary Bainonian (3), President (4).

Oh yes, that's that very attractive and stylish young lady with the far-away look in her eyes (except on Sunday). It's wonderful to see anyone so gloriously happy as Lillian is; she's an inspiration to others as well as to herself. With all her qualities of refinement and idealism and good sportsmanship she has a personality and character that make all who know her love her. Capable, did you say? Have you ever attended a Senior party and fairly marvelled at the eats? Lillian was the cause of that. Remember, she's a Smith-Hughes girl, and a good one, too. Yes, we are ready to give her the highest recommendations, for she surely deserves them.

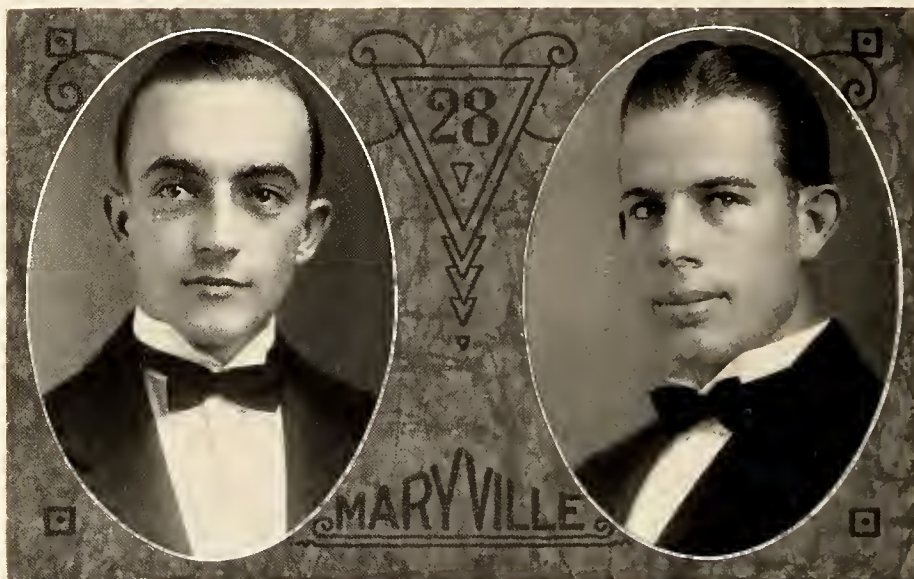

ELIZABETH NEWMAN, B.A.

THETA EPSILON

JOHNSON CITY, TENNESSEE

Program Secretary Theta Epsilon (3), Vice-President (4); Spanish Club (4); Home Economics Club.

Just because a person is hard to get acquainted with is no sign that she is stuck up and not worth knowing; rather it is indicative of something very worth while and lovable to meet her reserve. And such is the case with Elizabeth. Everyone's estimate of her is "Isn't she a dear?" Probably Merle thinks so, too, but that's neither here nor there. In addition, you never saw anyone who is more fun. She can cast aside her dignity so that one can hardly realize it is the same person. Everyone likes to look at Elizabeth, because she is so sweet and attractive looking, and everyone likes to know Elizabeth because she is so sweet and attractive and idealistic. This is one case where looks certainly do not deceive. She adds distinction to our class in every way.

W. ARTHUR YOUNG, A.B.

ATHENIAN

DAY BOOK, NORTH CAROLINA

Varsity Debate (3, 4); Pi Kappa Delta (3, 4), Council (4); North Carolina Club (1, 2, 3, 4), President (3), Editor (4); Law Club (1, 2, 3, 4), President (4); President Athenian (4); Student Council (4); Class Football (3); Class Basketball (3, 4); Athenian Mid-Winter (4).

That tall, handsome young man with the sweeping eyelashes. That's Arthur Young—but you needn't set your cap for him; he's already taken. No, you wouldn't wonder at it. Changing the subject, he's a splendid debater—by the way, Nelle's a good debater too, isn't she—an orator; in fact, he can almost wring tears from a turnip. We feel he will make himself famous some day. Here he has proved himself worthy of all high trust put in him.

ALPHA SIGMA

LINCOLN, ILLINOIS

Three "F" Club (2, 3, 4), President (2, 3); Secretary Alpha Sigma (3), Censor (2); Class Basketball (2); President Alpha Sigma (4).

We have only one grudge against you, Harry; that old bell just would wake us every morning when we wanted to sleep. But you made up for that, we suppose, by ringing it promptly for meals. A conscientious student, a dependable worker, a sociable fellow—what more could one ask from a classmate?

FLORENCE BLACK, A.B.

BAINONIAN

"Virtue is indeed its own reward"—it would be difficult to find a sentence more perfectly applicable to Florence, our sweet, unassuming and much loved President of Y. W. C. A. Her quiet, consistent life of helpfulness has been of untold influence on College Hill. Would that we all might profit by her example, and "Live for Others."

MARY LILLIAN ROBISON, A.B.

Lillian, with her sympathy and understanding, and evident joy of living expresses her creed in the following lines:

"I am tired of sailing my little boat,
Far inside the harbor bar;
I want to go out where the big ships float,
Out on the deep where the great ones are.
And should my frail craft prove too slight
For storms that sweep those billows o'er,
I'd rather go down in the stirring fight,
Than drowse to death by the sheltered shore."

ROY V. TAYLOR, A.B.

ALPHA SIGMA

OLIVER SPRINGS, TENNESSEE

"Doc" is one of the original reasons why girls leave home. Good looking—cheerful—engaging—the possessor of a charming personality—no wonder so many freshman girls (as well as members of other classes) rave over him. The kind of fellow who possesses "A" ability in his studies, but enjoys life too much to keep his nose in a book. He is a favorite with the fellows as well as with the girls—in fact, it would be hard to find a better liked boy on the whole campus.

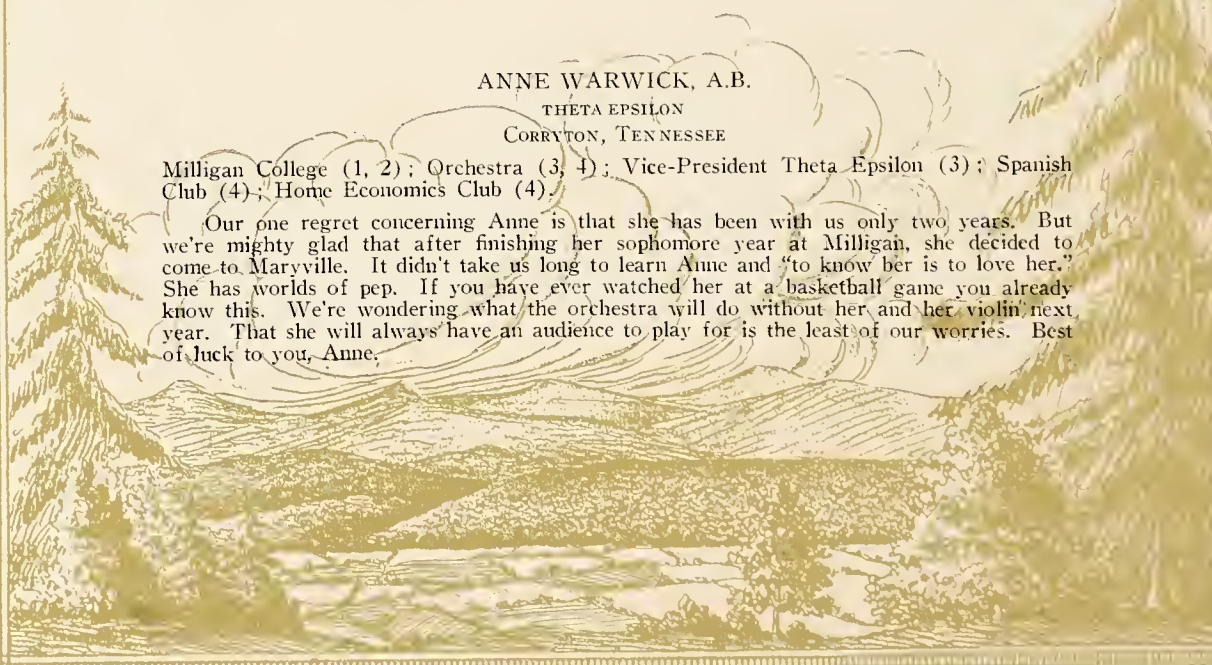

ANNE WARWICK, A.B.

THETA EPSILON

CORRYTON, TENNESSEE

Milligan College (1, 2); Orchestra (3, 4); Vice-President Theta Epsilon (3); Spanish Club (4); Home Economics Club (4).

Our one regret concerning Anne is that she has been with us only two years. But we're mighty glad that after finishing her sophomore year at Milligan, she decided to come to Maryville. It didn't take us long to learn Anne and "to know her is to love her." She has worlds of pep. If you have ever watched her at a basketball game you already know this. We're wondering what the orchestra will do without her and her violin next year. That she will always have an audience to play for is the least of our worries. Best of luck to you, Anne.

ELIZABETH POST, A.B.

BAINONIAN

DE FUNIAK SPRINGS, FLORIDA

We have always heard it said that "still water runs deep." That's how we have figured out Elizabeth, our Florida orange blossom. She says so little, but does so much, that we all love her. She has helped to make our class parties a howling success. We wish her the best of luck and happiness always.

Yes that's him; that very tall Senior boy with dark wavy hair. Of course he is quiet, if you don't know him, but if you do—why he talks as much as the rest of us. He is certainly gifted with that deep wit that creates a laugh at any moment. If you haven't discovered this just talk to him a few minutes and see for yourself. This admirable quality will win for him a great place in the world.

Gann is one of the Senior football heroes and leaves a record which many aspire to equal. His unflinching good humor and his unquenchable spirit make him one of the most valuable assets of the class of '28, as well as of the football team. Without being spectacularly conspicuous in any line, he has served his class and his college to the best of his ability.

ETHYL PROFFITT, A.B.

Ethyl will be a "profit" wherever she goes. She has most certainly been a "profit" to the Senior Class, for think of the parties, and what they would have been without the eats, and what the eats would have been without Ethyl. Theta will lose a valuable member in June, for she has been faithful all the while, but once a Theta, always a Theta, and so we don't feel we are losing her entirely. May you have worlds of happiness, Ethyl.

SUE SPENCER, A.B.

BAINONIAN

Palmer College (1, 2); Florida Club (3, 4); Nu Gamma Sigma Leader (4); Critic Bainonian (3), Program Secretary (4); Assistant in Psychology (4); Y. W. C. A. Cabinet (4); Writers' Workshop (4).

Sue, who came to us at the beginning of her Junior year, has deservedly won a place among the Intelligentia (?) of the class. As program secretary of Bainonian, her original ideas and her ability to secure cooperation, have made her indispensable to her society. A rare combination of literary and musical talent, cultivated to the highest degree, makes it possible for us to say: "Altho virtue receives some of its excellencies from nature, yet it is perfected by education."

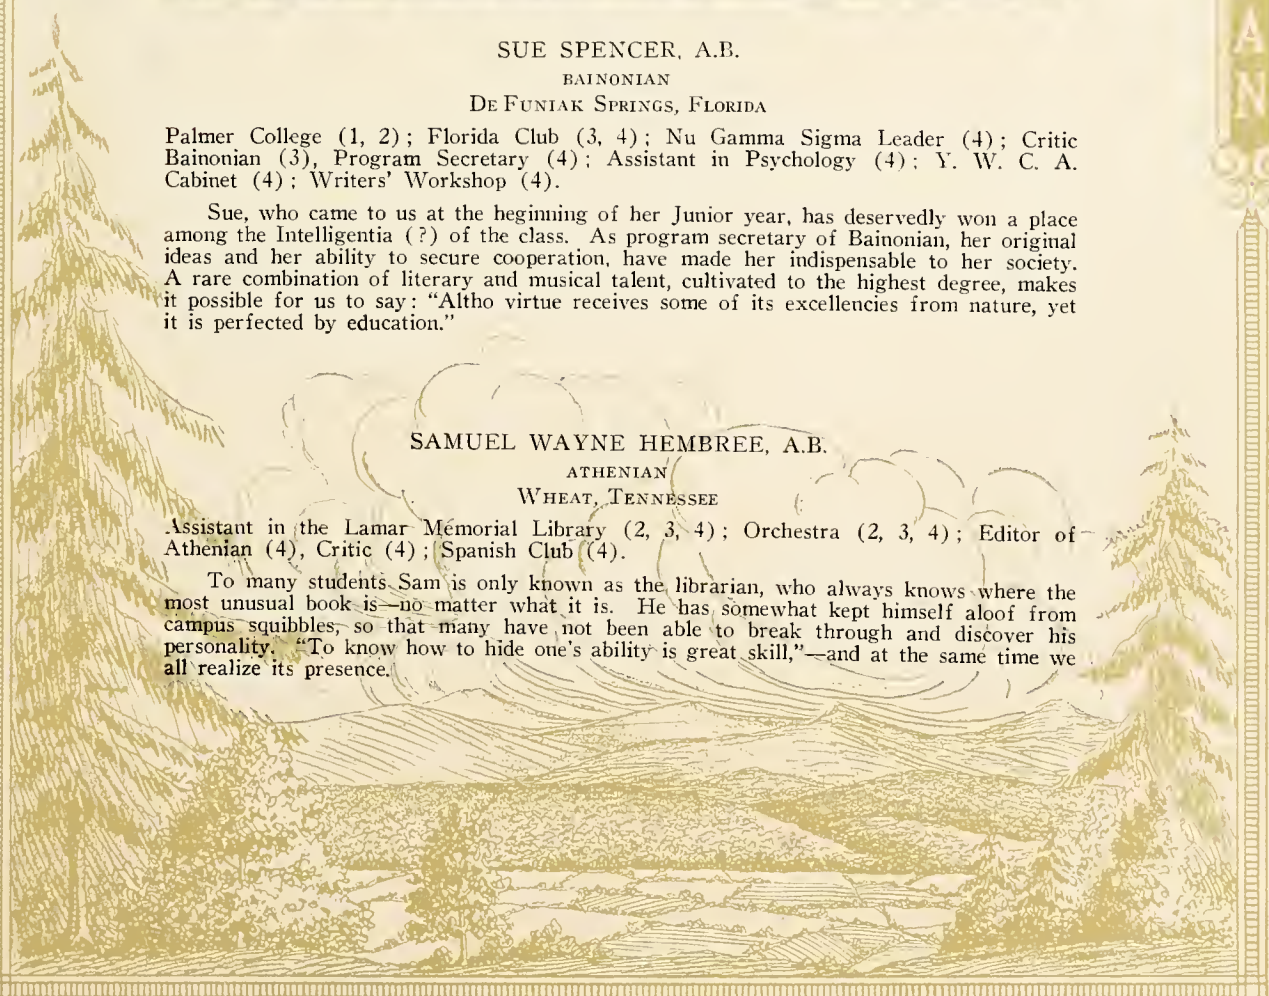

SAMUEL WAYNE HEMBREE, A.B.

ATHENIAN

To many students Sam is only known as the librarian, who always knows where the most unusual book is—no matter what it is. He has somewhat kept himself aloof from campus squibbles, so that many have not been able to break through and discover his personality. "To know how to hide one's ability is great skill,"—and at the same time we all realize its presence.

Billy is one of the budding young orators of the Senior Class. He possesses the logical mind, the forceful personality, and most of all, the "gift of gab," which will always bring him success as a debater. We shouldn't be at all surprised to learn someday that he is speaker of the House, or Justice of the Supreme Court. Luck to you, Billy.

LENA STRAWBRIDGE, A.B.

Clever writing for some folks is like pulling teeth but not so with Lena. Her pen moves easily across the sheet and presto—the thing is said. This is one of the places where she shines like the North Star. Here's a little secret about an experiment Lena is going to try. She is going to hitch up "teeth pulling" with clever writing. Yes sir, he's a dentist.

GENEVRA McDONALD, A.B.

THETA EPSILON

JASONVILLE, INDIANA

Genevra is really the sweetest, quietest, most unobtrusive little creature, but that doesn't keep her from having very decided opinions when the occasion arises. Such an occasion is debating, where she makes good use of those convictions. She is quite familiar with Mid-Winters and all their attendant tribulations and glories. Her host of friends is to be accounted for in several ways—her sense of humor, her genuineness—oh, her general likeability.

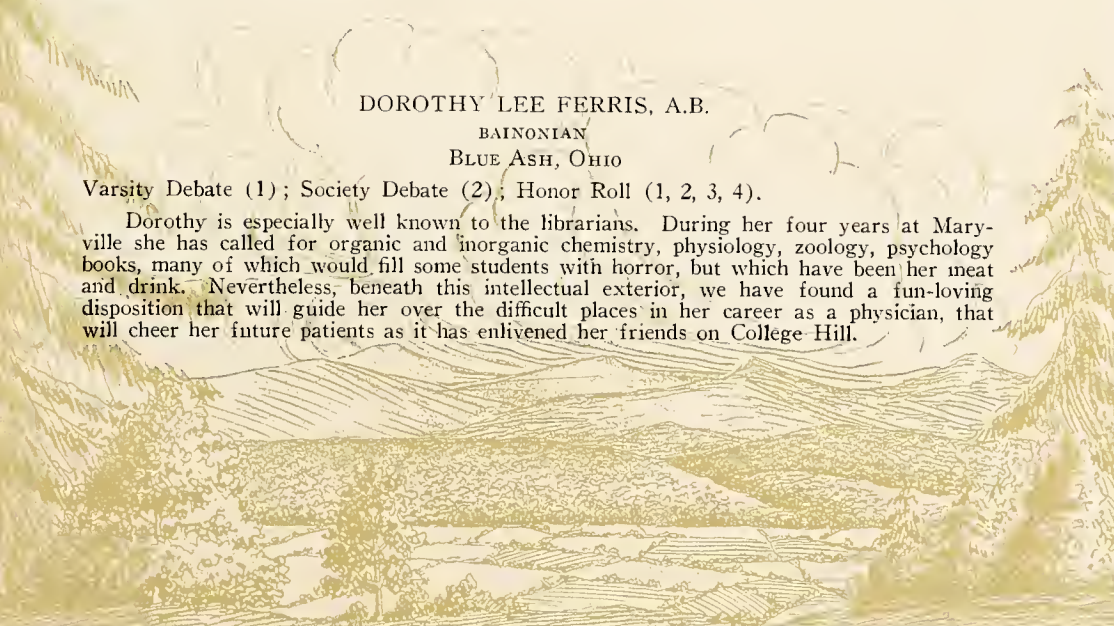

DOROTHY LEE FERRIS, A.B.

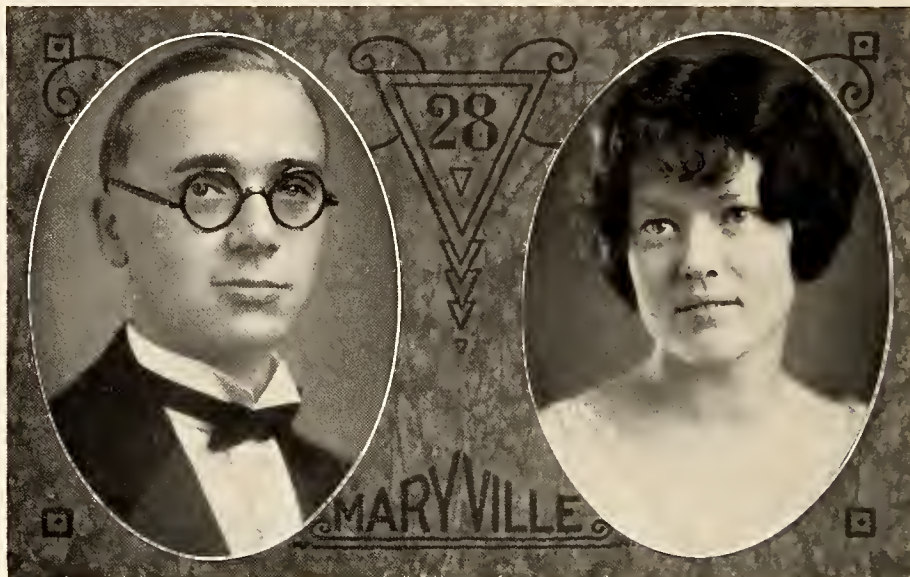

BAINONIAN

BLUE ASH, OHIO

Varsity Debate (1); Society Debate (2); Honor Roll (1, 2, 3, 4).

Dorothy is especially well known to the librarians. During her four years at Maryville she has called for organic and inorganic chemistry, physiology, zoology, psychology books, many of which would fill some students with horror, but which have been her meat and drink. Nevertheless, beneath this intellectual exterior, we have found a fun-loving disposition that will guide her over the difficult places in her career as a physician, that will cheer her future patients as it has enlivened her friends on College Hill.

"Ed" is a great lover of nature. He is particularly fond of Brooks, and since he has been too busy to spend very much time in the college woods, by the brookside, he managed in some way to persuade the Brooks to come to him. He has not been busy for nothing, and we are proud to have such a true Christian gentleman and diligent worker as a classmate.

She is very small and very dainty with a gorgeous crown of auburn hair. Perhaps it's the hair that gives her all the vim and power she possesses, for she surely is a power here on the Hill, in Y. W. and Student Volunteer work. She must have brains too; Lady Jane wouldn't have an assistant who didn't. She's the kind of a person you like to know, competent, self-reliant, fun-loving, sincere and a wonderful friend.

MILDRED B. RENEGAR, A.B.

BAINONIAN

BUECHEL, KENTUCKY

Nu Gamma Sigma Leader (4); Chemistry Assistant (3, 4); Secretary-Treasurer of Kentucky Club (3), Editor (4); Delegate to Detroit Convention (4); Recording Secretary Chemistry Club (4).

Chemistry has always been accused of crowding out of a student's life all other interests. Mildred's achievements prove the contrary. Very quietly she does her work in the laboratory. Then she may suddenly surprise her friends with a well-presented talk on missions—or the efficient way in which she handles a discussion group; or her conversation on some problem of the day may show her well-read interest. Yes, it is possible for a Pre-Med student to be an all-round student.

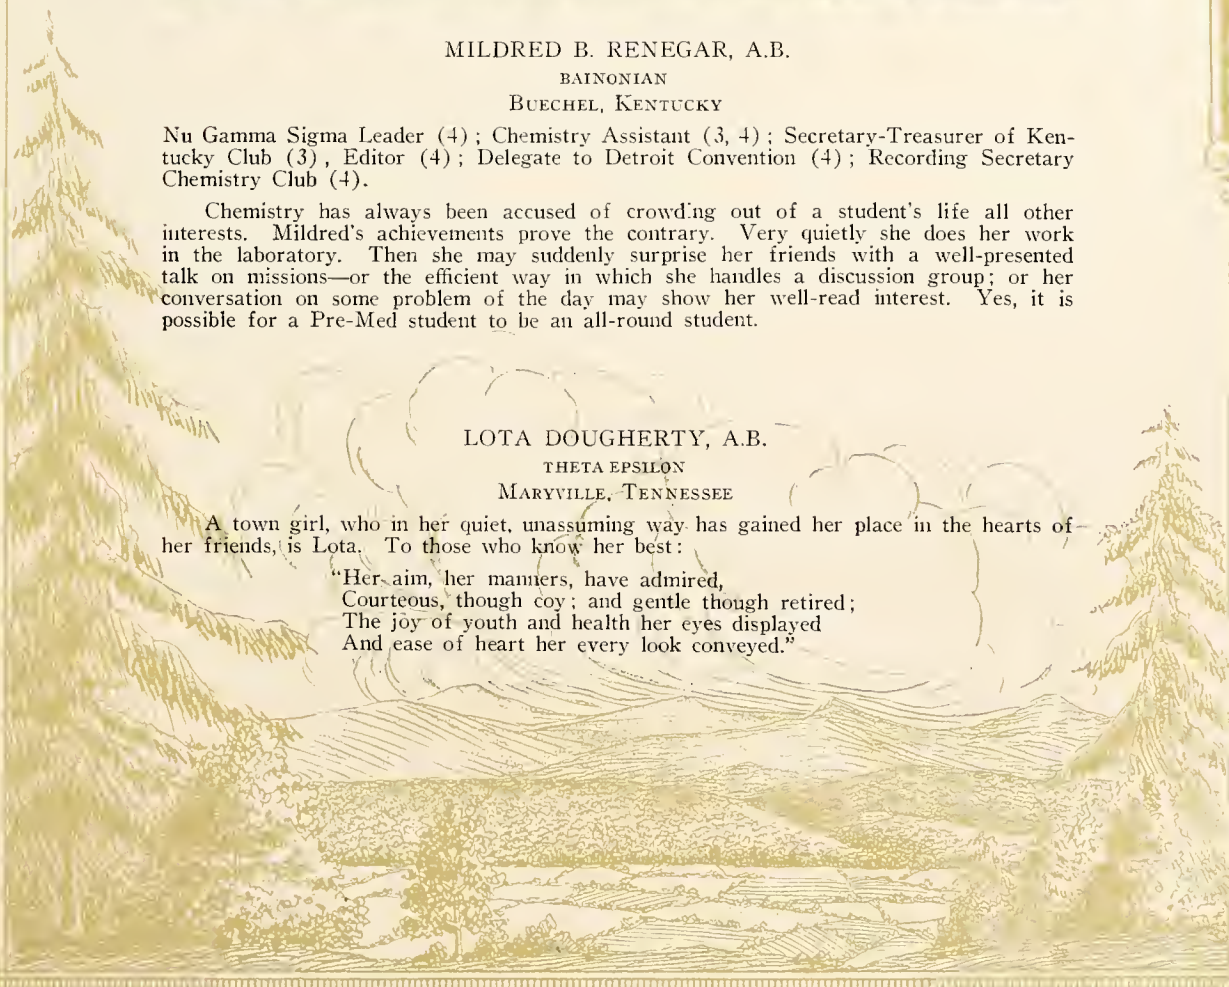

LOTA DOUGHERTY, A.B.

THETA EPSILON

MARYVILLE, TENNESSEE

A town girl, who in her quiet, unassuming way has gained her place in the hearts of her friends, is Lota. To those who know her best:

"Her aim, her manners, have admired,
Courteous, though coy; and gentle though retired;
The joy of youth and health her eyes displayed
And ease of heart her every look conveyed."

JOHN TREVETHICK WRIGGINS, A.B.

ATHENIAN

Would we call him the "father of our class" just because he is married? Or maybe it is because he is smarter than most of us. Anyway, Wriggins has contributed his share to the class in spirit, manliness and pep. We admire him for his high ideals and his effort in carrying them out. To know him is to think highly of him and to appreciate his admirable qualities.

MARY HELEN CROWDER, A.B.

BAINONIAN

KINGSTON, TENNESSEE

Mary Helen thought that she would leave us, and consequently she tried another school for a year. She made a splendid record there and we know that she won many friends; but, after all, she could not think of graduating from any other college than our own Maryville. She came back to us for her senior year, and we are very glad to welcome the prodigal home. She is the kind of person who cannot be satisfied with anything less than the best possible training for her chosen work which is teaching. That is why we have her with us, and that is why she is bound to succeed.

ARCHILETA REBA MILLSAPS, A.B.

BAINONIAN

Her most special friends call her Archileta, and, indeed, she likes to sign her name that way. In the orchestra she sometimes humbly refers to herself as "just another second fiddle," but those who know her there know that she is the first of the second fiddles, and that she holds a high place in the stringed ensemble as well. She has achieved much distinction in the Chemistry Department, both as a student and assistant and as a prize winner. Truly we are expecting great things of her.

MARJORIE ETHEL FREY, A.B.

Besides being a good student, Marjorie has found time for debating, dramatics, and other extra-curricular activities. And oh, girls! the gift shop! Marjorie is the kind of a friend you know you can count on to the last ditch—"in soul sincere, in action faithful, and in honor, clear."

Here's hoping that when Mac enters his life work, he will have the priceless Pearl to help him to gain wealth, fame, and honor. All are due Mac and then some. Not only is Mac a perfect lover, but watch him on the track field and you will see a good athlete. We admire his quiet, deep-rooted nature and his stickability.

Ellen's array of honors may fittingly be taken as a measure of her character and of her service to her Alma Mater. We marvel at her ability to complete the Smith-Hughes course and graduate in Expression at the same time. In the role of Claudia, in the "Lucky Break," she displayed much native ability as well as her usual charm of manner. Her well-rounded college life and the various activities in which she has participated make us prophesy for her success in its highest sense.

MARY LOUISE BLACK, A.B.

BAINONIAN

COLLEGE CORNER, OHIO

Mary Louise is another Ohio girl whom we are proud to have in our class. We like the girls from College Corner, and Maryville is fortunate in having them here. Mary Louise has taken her college life seriously and has made a big success of it in every way, yet she has found time for fun and many friendships with her college-mates. May her life continue to be as happy and as worthwhile as it has been on College Hill.

Betty has proved the statement, "Beautiful but dumb," to be a fallacy. That is not all she has done. She has won a place in our hearts and those who are left on the Hill next year will miss her an awful lot. Not only the students will miss her, but the Dean will have to look far and long to find an assistant who will be Betty's equal. But our loss will be another's gain and we mustn't be selfish with Betty even if we would like to be.

Alice with her quiet air of capability has on her shoulders the double duty of maintaining her senior dignity and the strain of being the daughter of a member of the faculty—both of which she performs with pleasing success. Those of us who have known her intimately have been enriched, for we have found inspiration in her loyalty to her duties, in her sense of humor, and in her daily contacts with others.

"True Blue" is an expression which everyone who knows Lamar will agree to be a perfect fit. He's always ready to take part in any college activity—unless moonshining is an exception. Everybody likes him, and it's hard to imagine his life being anything but a success. He's the "kind that wins."

Captain Class Basketball Team (4); Vice-President Y. W. C. A. (4); Editor Bainonian (3), Sergeant-at-Arms (1); Member of Home Economics Club (4); Alabama Club (1, 2, 3, 4), Editor (2).

Elizabeth is another one of our Home Ec girls, but we all have an idea that "There's a reason" in her case. She has been a good student, and has fully disproved the slogan "Beautiful but dumb." In her four years' stay at Maryville she has won many friends due to her charming personality, and her sweet attractiveness. We all rest assured that Elizabeth will make a success in life, regardless of the path she chooses to follow.

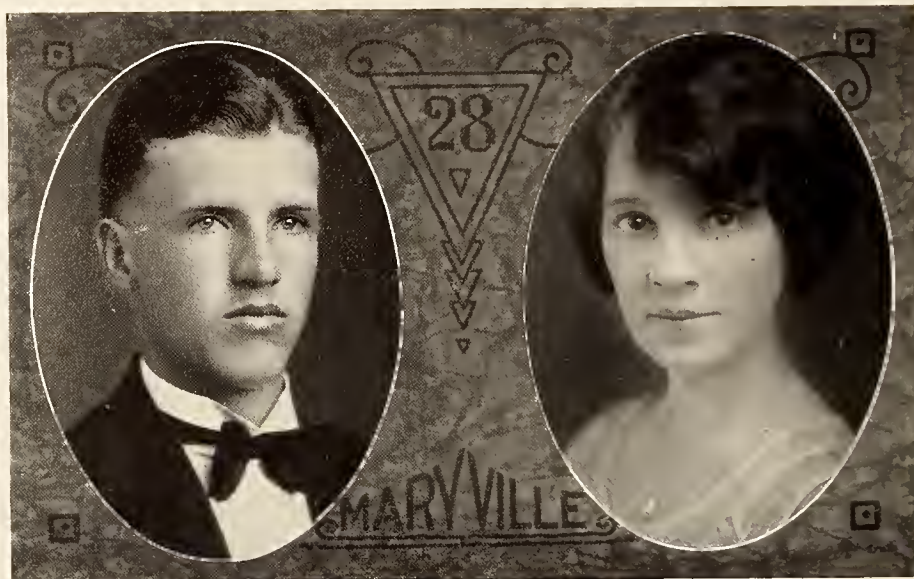

MARIE ELMORE, A.B.

BAINONIAN

CLEVELAND, TENNESSEE

Editor Bainonian (2); Milwaukee Delegate (3); Y. W. C. A. Cabinet (2, 3, 4); Home Economics Club (4); Bradley County Club Editor (3); Blue Ridge Delegate (2, 3); Student Council (1).

Marie is one to whom we have gone for most everything. She has been a hard worker, and has done much for the happiness of other people. She has taken an active part in Y. W. C. A. work and in all class activities, being especially good on Eats Committees. However, we will not only remember Marie for the work we have gotten out of her, but chiefly because of her sweet personality, and friendly ways. "A friend in need is a friend indeed," and that's Marie.

EDGAR WASHINGTON CANDLER, JR., A.B.

ATHENIAN

CANDLER, NORTH CAROLINA

North Carolina Club (1, 2, 3, 4); Basketball Squad (3, 4); Class Basketball (1, 2, 3, 4); Class Football (1, 2, 3); Law Club (4); Secretary Athenian Literary Society (4).

Our four years of association with Ed have convinced us beyond a doubt that he is a fine fellow. He has been a loyal member of the Class of '28, and has played a very important part in inter-class athletics. Ed is also one of the best mathematicians that has been in Maryville in a long time, for he has made "A" in almost every math course that the College has to offer. We wish him every success and accomplishment that life has to offer.

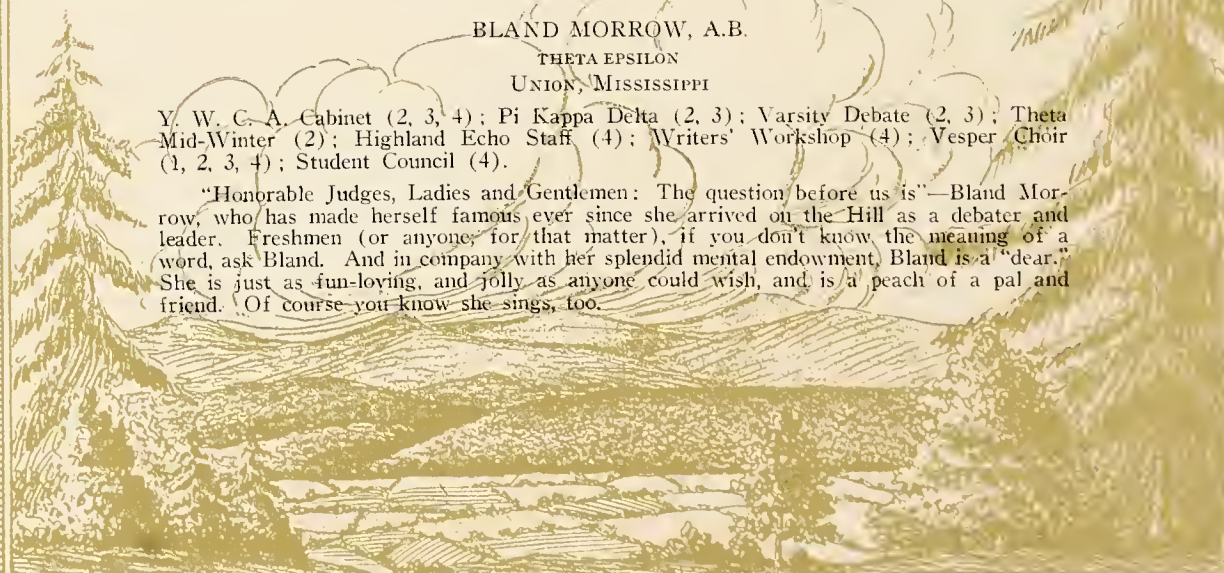

BLAND MORROW, A.B.

THETA EPSILON

UNION, MISSISSIPPI

Y. W. C. A. Cabinet (2, 3, 4); Pi Kappa Delta (2, 3); Varsity Debate (2, 3); Theta Mid-Winter (2); Highland Echo Staff (4); Writers' Workshop (4); Vesper Choir (1, 2, 3, 4); Student Council (4).

"Honorable Judges, Ladies and Gentlemen: The question before us is"—Bland Morrow, who has made herself famous ever since she arrived on the Hill as a debater and leader. Freshmen (or anyone, for that matter), if you don't know the meaning of a word, ask Bland. And in company with her splendid mental endowment, Bland is a "dear." She is just as fun-loving, and jolly as anyone could wish, and is a peach of a pal and friend. Of course you know she sings, too.

RETA McCALL, A.B.

BAINONIAN

KNOXVILLE, TENNESSEE

Knoxville Club (2, 3, 4); Treasurer Home Economics Club (4); Secretary and Treasurer "Mac" Club (4).

Reta deserves credit for lots of things, but most of all for choosing Maryville in preference to schools closer home. She is known to those who are best acquainted with her for her dependability, her unselfish disposition, and her cheerfulness. She has been a loyal member of the Knoxville Club and we feel sure that she will still be loyal to her friends, and her Alma Mater after graduation.

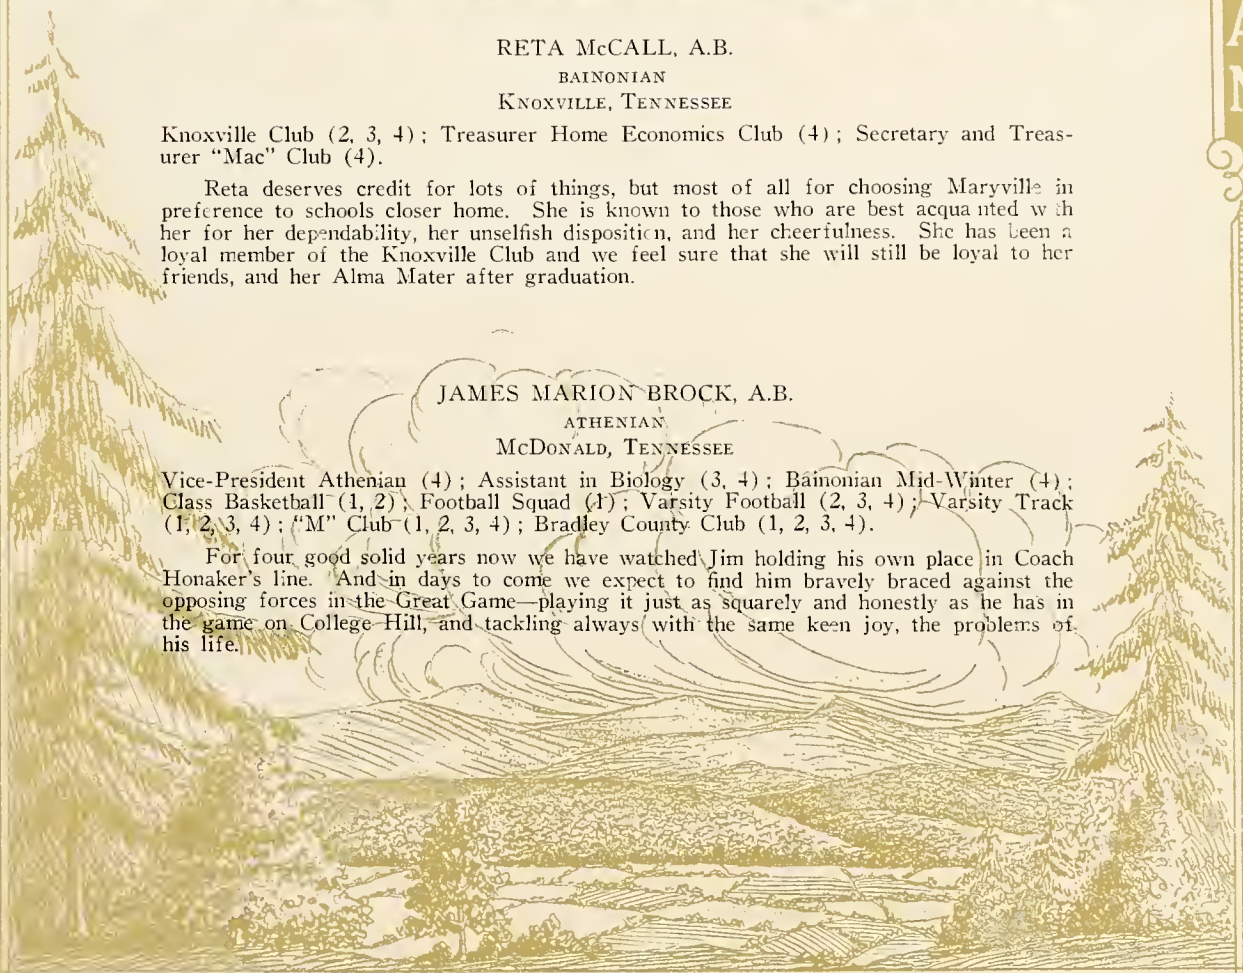

JAMES MARION BROCK, A.B.

ATHENIAN

MCDONALD, TENNESSEE

Vice-President Athenian (4); Assistant in Biology (3, 4); Bainonian Mid-Winter (4); Class Basketball (1, 2); Football Squad (1); Varsity Football (2, 3, 4); Varsity Track (1, 2, 3, 4); "M" Club (1, 2, 3, 4); Bradley County Club (1, 2, 3, 4).

For four good solid years now we have watched Jim holding his own place in Coach Honaker's line. And in days to come we expect to find him bravely braced against the opposing forces in the Great Game—playing it just as squarely and honestly as he has in the game on College Hill, and tackling always with the same keen joy, the problems of his life.

ROY PAUL, A.B.

ATHENIAN

ROANOKE, VIRGINIA

Ohio Club (1, 2, 3, 4); P. K. Club (1, 2, 3, 4); Chemistry Club (1, 2, 3, 4).

"What is this irresistible power that I have over women?" is Roy's riddle, but we can readily see why. At least we poor girls can wonder why he is so particular about a girl—Oh yes, I have it—he is a Chemistry shark, if there ever was one. That's where Roy spends his time and thought. Yes, it's a worthy cause, and when Roy is that great bachelor chemist, we hope to read about him and proudly say, "He was a classmate of mine at M. C."

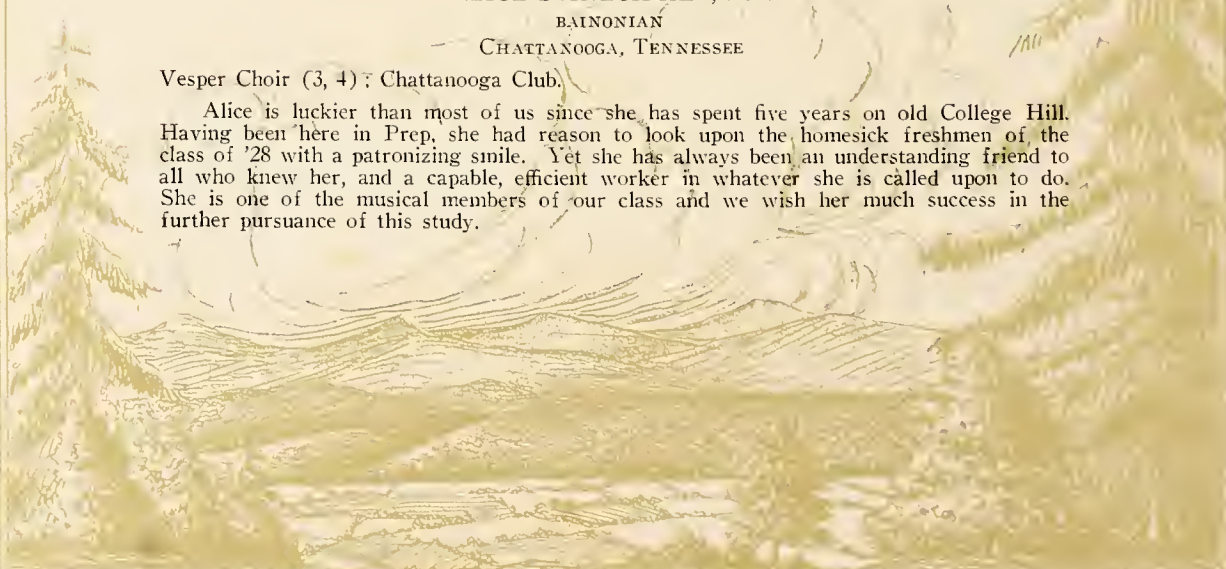

ALICE STINECIPHER, A.B.

BAINONIAN

CHATTANOOGA, TENNESSEE

Vesper Choir (3, 4); Chattanooga Club.

Alice is luckier than most of us since she has spent five years on old College Hill. Having been here in Prep, she had reason to look upon the homesick freshmen of the class of '28 with a patronizing smile. Yet she has always been an understanding friend to all who knew her, and a capable, efficient worker in whatever she is called upon to do. She is one of the musical members of our class and we wish her much success in the further pursuance of this study.

SOPHIA MASTERSON, A.B.

BAINONIAN

KNOXVILLE, TENNESSEE

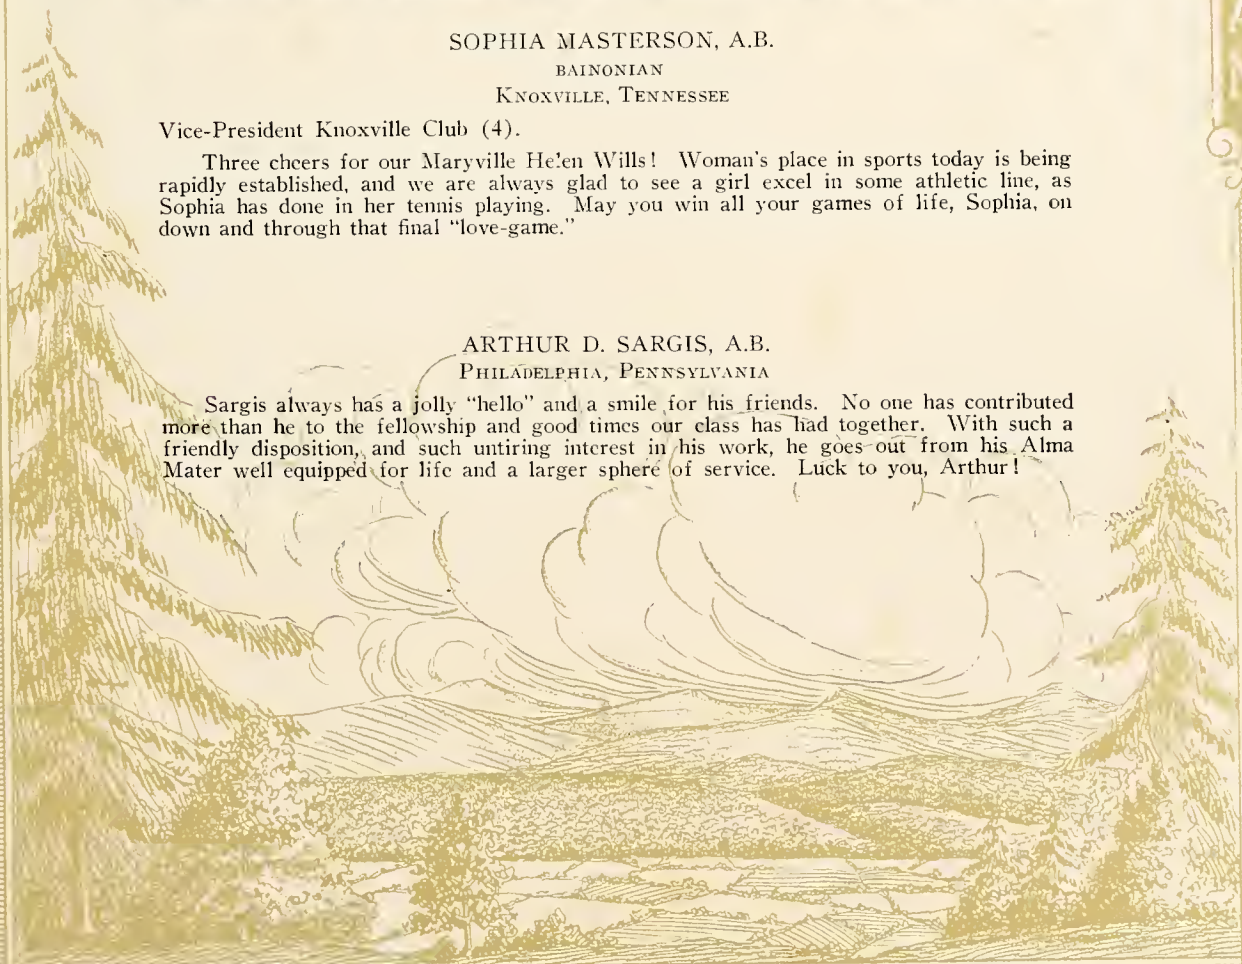

Vice-President Knoxville Club (4).

Three cheers for our Maryville He'en Wills! Woman's place in sports today is being rapidly established, and we are always glad to see a girl excel in some athletic line, as Sophia has done in her tennis playing. May you win all your games of life, Sophia, on down and through that final "love-game."

ARTHUR D. SARGIS, A.B.

PHILADELPHIA, PENNSYLVANIA

Sargis always has a jolly "hello" and a smile for his friends. No one has contributed more than he to the fellowship and good times our class has had together. With such a friendly disposition, and such untiring interest in his work, he goes out from his Alma Mater well equipped for life and a larger sphere of service. Luck to you, Arthur!

REBA STONE, A.B.

BAINONIAN

CEDAR BLUFF, ALABAMA

Alabama Club (1, 2, 3, 4); Spanish Club (4).

"Uncle Willie," with her quiet little smile and her ready sympathy has won a big place in the hearts of her classmates. It was rumored that she would not return to Maryville to graduate this year, but what was Birmingham-Southern's loss was certainly a great addition to the Class of '28. She's another Smith-Hughes girl, and perhaps when she gets tired teaching Home Economics, she will enjoy having a practice house all her own.

MARY LEOLA KELLY, A.B.

BAINONIAN

PRESLEY, GEORGIA

Hiawassee Junior College (1); University of Georgia (2); Georgia Club (3, 4).

Mary's name should have been spelled "Merry," for everywhere that Mary goes, the sunshine's sure to go. Mary's vivacious Irish wit and her English good sense have made us all like her during her two years with us. To paraphrase: "Sweet personality, full of rascality, that's Mary Kelly."

FRANCES MARCH, A.B.

BAINONIAN

MARYVILLE, TENNESSEE

Assistant Freshman Chemistry (2); Assistant Household Chemistry (3, 4); Winner Elizabeth Hillman Chemistry Prize for Chemical Preparation (2); Vice-President Home Economics Club (4).

We always feel that when a class member lives out in town we're deprived of a lot by not seeing her oftener. But in the times we've been permitted to be associated with her, we've learned to admire and love her. Just look at the honors the girl has won in Chemistry! Our heartiest respects to any girl who can master such a difficult subject! Such a combination of brains and attractiveness will surely carry her far.

LOIS SMITH, A. B.

BAINONIAN

LINDALE, GEORGIA

Georgia Club (1, 2, 3, 4); Spanish Club (3, 4); Home Economics Club (3, 4), Chairman Entertainment (3, 4); Publicity Chairman Bainonian Literary Society (3, 4).

"Miss Louie" with her winning ways and attractive personality is one of the most beloved members of the Senior Class. She is a delightful mixture of modern intellectuality and old-fashioned domesticity, as shown by her Smith-Hughes work. She can use a paint brush quite effectively, and many of her attractive posters have decorated the campus for Mid-Winters and Art Club meetings. Good wishes to you, Lois, and may the future hold all the happiness you can wish.

ELSIE L. GLEASON, A.B.

BAINONIAN
OSBORN, OHIO

Postal Clerk and Bookroom Assistant (2, 3, 4); Secretary-Treasurer Student Volunteers (2); Delegate State Student Volunteers Conference (3); Pre-Med Club (2, 4); Ohio Club (4); P. K. Club (2, 4).

Postal rates, price of paper pads, names of text-books, are on the tip of her tongue, when she is behind the counter of the bookstore and postoffice; one would hardly identify her with the quiet, unassuming girl who has made medicine her sole ambition and hopes to practice it some day in a far-off country, easing the pain and sufferings of mankind. Elsie, we see success ahead of you if you tackle your job in Africa as you have here in Maryville.

ANNA MAE CALDWELL, A.B.

BAINONIAN
MARYVILLE, TENNESSEE

Anna Mae came to us from Tennessee Wesleyan two years ago. Since then we have found her one of our most faithful and earnest workers. Her creed is this:

"Give me the thrill of the task
The joy of the battle and strife,
Of being of use, and I'll ask
No greater reward from this life."

Here's to you, Anna Mae, may a bounteous portion of the world's rewards be yours.

Daisy Chain

"Tell me little daisy tell, what will his answer be?" Who now can answer the question if the beautiful, brown-eyed daisy fails to fulfill its duty? Silence.

Poets have written volumes about daisies. To them they spoke of purity, richness, humbleness and sweetness. Composers of music have set the hearts of a world throbbing with harmonic accompaniment of their themes of daisies.

To Maryvillians daisies mean more. They speak of commencement time with all its excitement and tearful partings. At that last hour through daisy-lane they pass from the chapel on their last visit as Seniors. Who could forget?

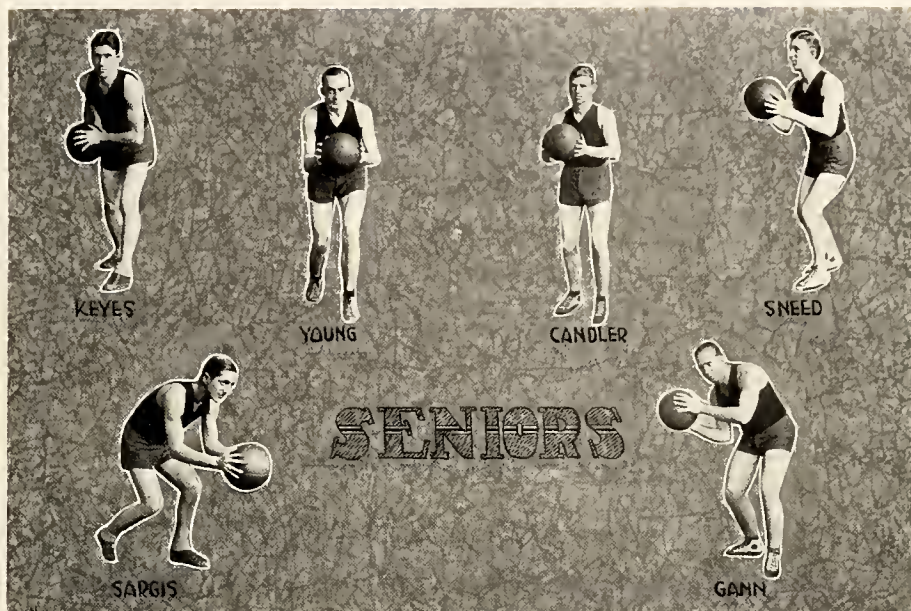

Each year a daisy chain is made by the Junior Class and the fair ladies with their chain form the pathway of flowers. These girls will this year pass through another daisy chain, and in that passing, enter the newly opened doors of life. Goodbye, girls, and may happiness, health and beauty be ever yours.

MANAGER MISCHLICH, G. CRAWFORD, JAMES BROCK, MAYNARD DUNN,
CAPTAIN JOHN STONE, TOM GANN, PETER SNEED

True Highlanders

The "Swan Song" has been sung. The sun has set. Their work is done. Maryville may boast of many things, but her greatest ego lies in her men. The passing years have seen many Orange and Garnet warriors come and go, but never did their going hurt as badly as does the graduation of these seven men. Every man is a scrapper; every scrapper is a true sportsman and every fellow played hard for his Alma Mater. Their best made Kentucky terror stricken and their hard work is responsible for the sighs and fear-whitened faces of the Tennessee men. Goodbye boys, you are great Maryvillians and we expect to see you make a big drive in life.

KEYES, YOUNG, CANDLER, SNEED, SARGIS, GANN

Senior Basketball Team

To be a Senior means to be an educated man. It means that you have risen from your bed early and labored late in order to acquire knowledge and understanding in all branches of school life. The class of 1928 is no exception to the rule, except that they are just a wee bit better than their predecessors.

In basketball this year they played the old '28 style. Every man was on the job doing his best for the class honors. To these men we owe much appreciation for their hard, faithful work in class sports.

Fellows, we appreciate your spirit and wish you to keep the ole ball rolling all through life.

Look well to the class of '30, ye aspiring Freshmen, for therein will you find such excellent ideals and principles as should be set before you. With 225 souls that comprise our class we could lick the entire universe. Our musicians, inasmuch as "music has charms that soothe" would render the adversaries into a state of stupor. Our bevy of fair damsels would then by the force of their magnetic beauty cast our enemies into a deeper abyss of enchantment. Our orators, public speakers, dissertationists, and the like would plunge into activities and by means of their great eloquence and logic would compel the opposing hosts into an admission of their wrong. By using the Maryville Spirit we can rule the world, and who is there to say that the world would not be better off were we truly ruling it?

Sophomore Basketball Team

By dint of hard-fighting, but clean-fighting team efficiency, the Sophomore warriors of the cage attained the highest rank in the basketball circles of Maryville for the year 1928. What makes this honor all the more glorious is the fact that this is the second and successive time that the class of '30 has won the diadem of basketball superiority.

The Seniors endeavored first to stop the onward rush of the speeding Sophs, but, lack-a-day, they were miserably crushed, and the smooth-working machine went forward to engage the next opposition. This was provided by the Freshmen, who had defeated the Juniors. Although they offered stiff resistance, they were swept aside and the Sophomores reigned supreme.

Here's to the class of '31. May it ever keep the spirit of good fellowship and loyalty that it has exemplified this year. In one year the class has made for itself a very noble and worthy reputation. Every branch of college life is represented by our versatile members. In athletics we have contributed much to the support of the teams. Two of our number lettered in football, two in basketball and we bid fair for honors in baseball and track. The Freshman girls won the basketball championship, thus proving their worth to the school. In forensics our members are taking a good lead. From their ranks will step forward the men who will make the varsity in another year.

Yes, from the Freshman Class must come the future great. Surely we are the source of all good things that are to come. Never shall the Maryville Spirit die in our hearts and never, no never, shall we fail to do our best to uphold the standards of our beloved Alma Mater.

It is said that history repeats itself and so Maryville once more repeated her past history by winning Tennessee College Championship as she did last year. Maryville had a great team and deserved to win. Head Coach Honaker said, "There is no doubt but that we had the greatest team we have ever had. Not as flashy in places as in other years, but more consistent as a team, both on the offensive and on the defensive."

Line Coach Thrower who was once a member of the Orange and Garnet line said that the line this year was the best since 1921.

Assistant Backfield Coach McCall, who was one of the fastest backs Maryville ever produced, said, "Maryville had the best running defense this year that she ever had. All of the men were fast and good ground gainers."

Before reviewing the history of our gridiron achievements we must put in a word for the men that played an important part in making our team a team that we are proud of and those men are the men that went out there on the practice field every day, and fought, (quoting Everett) "bleeding and crying" against our Varsity. The ones that stay out there a whole season and practice

deserve a lot of praise: and, Scrubs, we take off our hats to you and may you always fight in life as you have here. If you will you will succeed. We know that a team is only as strong as its reserves.

The first few weeks of practice passed rapidly and before it was realized the boys were on their way to the "Dark and Bloody Ground" of Kentucky with the plaudits of their schoolmates ringing in their ears. The boys left Maryville feeling that they were going to give a good account of themselves against the University of Kentucky. And after the game was over the score showed that their lead for Maryville had held the mighty Kentuckians to a 6-6 tie. And up in Kentucky to this day the name of Horace Clemens is spoken in a soft tone for it was Clemens who dashed around Kentucky's end, with John Davis running perfect interference and raced twenty yards for a touchdown that tied the score and left Kentucky dumbfounded.

But the glory of the Kentucky victory was short lived, for, either from over confidence, or some unknown cause, on the following Saturday, Maryville met defeat at the hands of Tennessee Wesleyan. Tennessee Wesleyan had everything to gain and nothing to lose and when the game was over, they apparently hadn't lost anything, for they had handed Maryville a 13-0 drubbing, due to the playing of the brilliant Walden, Thomas, and McCray.

The sting of the defeat did not linger long but was soon forgotten and all eyes turned toward the next game, the annual game with Tennessee. A 6-0 defeat at the hands of the Tennessee Volunteers was fresh in the memory of all who had witnessed the thrilling game of last year. Much was said concerning the game, but actions speak louder than words and the Tennessee people are proud that they managed to win by 7-0, for they saw one of the best lines in the South in action on that day, a line that stood off the mighty Tennessee backfield men. Capt. Stoue rose to almost unsurmountable heights on that occasion when he broke through the Tennessee line, time and again, to throw the ball carriers for losses. The men played their best and gave all they had for the school they owed much to and to the school that had meant so much to them.

After the Tennessee game only one pair of shoes trod behind the Maryville goal line and that one touchdown was made by Lenoir-Rhyne College. But in the meantime Maryville was scoring many points. In the annual game with Tusculum the Highlanders emerged victorious by 19-0 score. Bluefield was smothered under a top-heavy 73-0 score on the following Saturday. Then the ancient rival, King College, was met at Bristol. In years gone by King reigned supreme over Maryville in football but such was not true this year for they went down with a 33-0 defeat ringing in their ears. Lenoir-Rhyne managed to hold the Maryville boys to forty-five points while they trod behind the last white line for six points and a touchdown. Cumberland University came with an all-star team but they

showed a similar fate to those who had preceded and when the armistice was signed that eventful afternoon one of the articles read "Maryville 18—Cumberland 0."

The campaign had almost drawn to a close. Only one more game remained on the schedule and that one was with Carson-Newman College, a rival of Maryville's for many years. Maryville was doped to win by two touchdowns, but when the last shouts had died down at Caswell Park, Carson-Newman trudged homeward bearing with them a 26-0 defeat. Horace Clemens could not be stopped that day and as it was this same lad who crossed Kentucky's line for the first touchdown of the season, so it was the same fellow who closed Maryville's season with the last touchdown. Closely akin to the playing of Clemens was the playing of George Crawford. George was playing his last game for his Alma Mater, and no one took more punishment than he for he was called upon to carry the ball often. But it was with much regret that the Maryville fans turned their faces homeward for they had watched Capt. Stone, G. Crawford, M. Dunn, Gann, Brock, and Sneed perform on the gridiron for the last time.

SECOND ROW: Coach McCall, Watkins, Biggs, Rodgers, Hope, Story, G. Dunn, MacDonald, Whitehead, Partee, Cherry, Mgr. Mischlich.

THIRD ROW: Coach Thrower, Sneed, Williams, DeLaney, J. Davis, Bird, G. Crawford, B. Crawford, Bond, Morrison, Scott, Jarvis, K. Davis, Head Coach Honaker.

BACK ROW: Crow, Prince, McConaughy, R. Crawford, Spangler, MacMillan, Kinsler, Hitch, Headrick, Peterson, Burrell, Honston, Johnson, Hoyt.

The team you see above is the best all-around team that Maryville has ever put out. Fast backs, stalwart linemen and strong, swift ends all are there. These are the boys that held Kentucky to an insignificant score of 6-6. Yes, and these are the boys who tweaked Tennessee's nose to the tune of holding them to the score of 7-0. This game was the best in the history of football at Maryville. Never did a team fight harder than they did that day on Shields-Watkins field. U. T. will never forget it.

We had a great team. But don't forget the artist when criticizing the art of his hands. When thinking of the varsity eleven think of the scrubs who worked hard to make the better men do their stuff. We have hard-fighting scrubs and much of the success of the season belongs to them.

Seven players have heard the swan's warble. "Jiggs" Mischlich, manager of the '28 team and a good one. George "Corky" Crawford, star halfback and one of the most consistent ground gainers we had. James Brock, giant tackle who fought with a smile and tore up the opposition's formations. Maynard Dunn, the college wit and a stalwart guard. Captain John Stone, Maryville's best all-round athlete and the best center in the South. Tom Gann, guard and tackle and ladies' man. Pete Sneed the grinning quarter. We will miss these boys very much, but the record they leave behind will help the future teams to work harder.

Basketball Squad

BACK ROW: Coach Thrower, Keyes, Hannah, Bird, Reed, Davis, Waddell, Capt. Marion, DeLaney, Mann, K. Davis.
FRONT ROW: Mgr. McConnaughy, Parks, Peters, Candler, MacMillian, R. Crawford, Stribling, Jarvis, Head Coach Honaker.

A GREAT SEASON

In looking over the records of the past basketball season we find Maryville has played twenty-one games and came out on top with twelve gold stripes to their credit. In other words she won 57.2 per cent of her games this season against last year's record of 52.9 per cent. We had a hard season, but are prond of the showing when the final whistle blew.

We had only one game with our ancient rivals U. T. and defeated them in fine shape. Our greatest showing was in the defeat of the Miami Basketball Club, reputed to be the best in the South. The night they stepped upon our court they had hung up twenty-five consecutive games to their credit. We broke up the party.

We lose none of the varsity through graduation so we can look forward to a great season next year.

COACH LOMBE SCOTT HONAKER

Head Coach

Yes, he is the small grey-eyed man of destiny that has been going about on the campus saying little, but putting his heart and mind into his work in order that Maryville might have strong athletic teams. He has drilled the boys in basketball, talked basketball, taught basketball until at the end of the season he had turned out one of the smoothest running teams in the South. Coach, you're great, keep going.

DALE MARION, CAPTAIN

Forward

"Crip," the fair youth from Blountville, who led our team both in scoring and in spirit. He has been on the team for three years now and expects to be back next year. Crip is a fast man in every way. There is no harder worker on the floor than Dale and much of our success is due to his constant training and clean sportsmanship.

JOHN DAVIS

Guard

"J. D." Davis, better known as "Minnie," is that curly-headed guard and a guard he is. He is one of those you read about that roams and scores when least expected. He allows very few crip shots when he is in the game. He is another three year man and we are looking to see him loop them long 'uns next year.

HAROLD BIRD

Forward

"Tillie" Bird, and he's a "bird" too, in basketball. Tillie is one fast boy, and his specialty is the circle pivot. He came to us three years ago and has made the team every year. He will be back next year to add to the strength of our quintet at forward.

RALPH WADDELL

Center

"Suitcase" Waddell, the elongated center of our team. There is not one game in which Suitcase played his best, because he played his best in all of them. We remember last year at Tusculum that a wee-small voice from the stands hollered, "Whoopee, put it in," and Suitcase, well—that's another tale. Suitcase, we want to see your little self next year. Don't fail us.

KEMP DAVIS

Forward

"K" Davis, the boy that spilled the dope all over Wesleyan in our second tilt with them. He came to us from Morristown "Roosters." This was his first year at Maryville and thru his superior playing won the coveted M. We expect great things from this diminutive package in the next three years. K, we're pulling for you.

LOUIS REED, CAPT.-ELECT

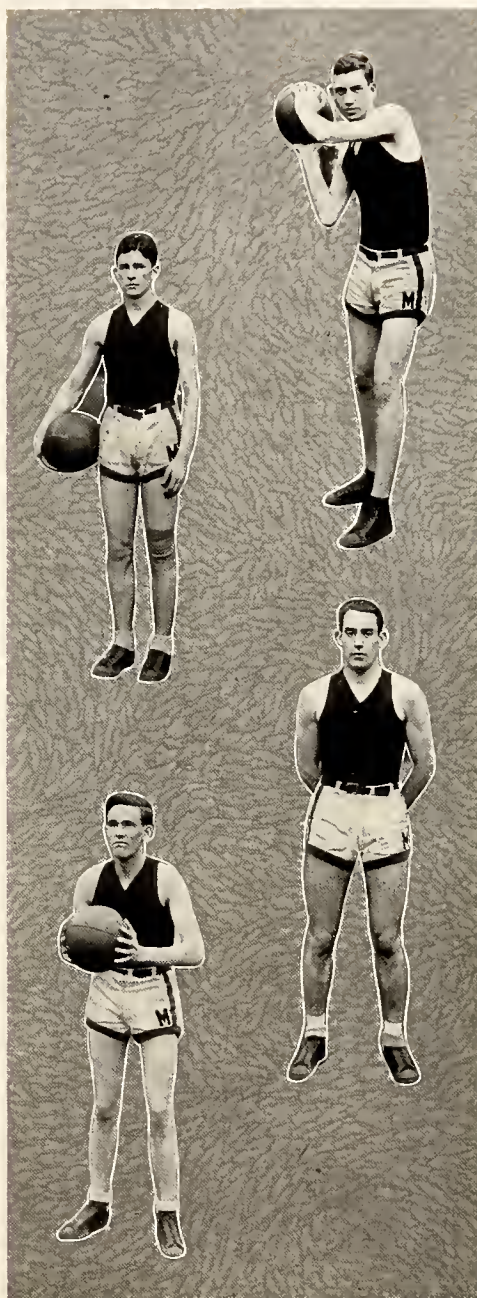

Guard

Louie Reed comes next. In the Miami game we heard a fair co-ed say, "Who's that well-built, sheiky looking fellow at guard?" and the answer came back, "Louie Reed, watch him play." And play he did. He played hard all season. This is Louie's second year on the team, and next year will be his third. So come back, Lonie.

ERNEST MANN

Center

We would have expected Speedy to have played his greatest game near Chattanooga, but strange to say he did not. He arose to great heights when we downed U. T. Speedy was all his name implies that night. We will see him back next year. Keep in training.

The track men had a very successful season under the leadership of Lamar Milling. The season opened with a win over L. M. U. The second meet of the season was a fighting defeat at the hands of Tennessee. This defeat was sweetened by U. T.'s great dash man Barnhill, eating dust from Williams. The last meet was an easy win over Emory-Henry College. Below are the records at Maryville.

One long trip was taken thru Virginia and upper Tennessee. Five games were played during this time, our team winning four. The season opened with two wins over Michigan State and the spirit of the ball diamond pervaded the college until the close of school.

There is no honor more to be desired than an "M." Work, training, with good old common sense is what gets the delightful letter of the arena. Many are called but few chosen is the regular routine of the athletic field. Maryville is proud of her athletes and honors those who have persevered in their endeavors.

With the winning of an "M" comes the responsibility of keeping your name clean and above reproach. That letter means Maryville first, and we all must pull for that purpose with the reassurance that succeeding in our calling means playing the game of life as fair and square as we played in the games for our Alma Mater.

May the "M" that we wear on our sweaters be an outward sign to the world that we have the interests of Maryville at heart.

Mr. Walter R. Courtney,
The Chisholm,
Maryville College,
Maryville, Tenn.

Dear Sir:

I am returning to you, with this letter,
the photographs which you asked me to judge, with
my selection.

It was not an easy task to award the title of Queen
of Beauty, for the photographs all have unusual charm --
each girl having some claim to the final decision.
However, even Paris must have had some difficulty in
making his famous award, so I have simply done my best.
I hope it will be satisfactory to you all, and I
certainly congratulate Maryville College on having so
many beautiful girls on its campus.

Very truly yours,

PDC:MAB.

ART EDITOR.

THE CHILHOWEAN STAFF take great pleasure in publishing this feature section. In it we have presented three outstanding features of Maryville College, beautiful girls, charming couples and sturdy athletes. : : : : : :

We are indebted to Mr. F. D. Casey of New York for acting as disinterested judge of beauty. From eight pictures, two from each class, he selected the most beautiful as our Highland Queen, and the prettiest girl from each of the remaining classes. The most popular couple was chosen by the student body, and their choice is a good one. : : :

Mr. John Stone was selected as the best all-round athlete by Coach Honaker. John is an all-round man and Maryville is mighty proud of him. : : :

Athenian Literary Society

The Athenian Literary Society holds the distinction of being the oldest literary society on the Hill, having been organized in the year 1869. This society takes second place in nothing. Athenians are prominent in athletics, forensics, oratory, and all other student activities. Each year finds Athenians filling the responsible positions in the student life of the college. In the past seven years, three-fourths of the men on the varsity debate teams have been Athenians. Again this year, the Athenians furnished the college orator.

Loyalty is the society's watchword. Athenians are great believers in the motto, "Nothing is worth having, unless it is worth working for." That is what has made Athenian what it is today. Every fellow is given an opportunity of taking some part on the program during the year, thus enabling him to receive valuable training in public speaking. Once again Athenian loses a large number of her most faithful members through graduation. Their names are W. Buchanan, S. Rule, J. Marshall, W. Franklin, N. Webster, P. Keyes, A. Young, H. Elzy, S. Hembree, J. Wriggins, L. McDonald, G. Crawford, L. Milling, E. Candler, J. Brock, R. Paul. The Athenian Literary Society wishes these men success in life. May the memory of Athenian Literary Society be with them in those far-away days when their goal has been crossed.

Alpha Sigma Literary Society

From the moment that Gordon Jeffries opened the first meeting of the year, success was guaranteed. The membership for the year was more than doubled. Musicians, debaters, and orators were many. Practically every program of the year was highly enjoyed. The boys will never forget Maynard Dunn's great argument to the jury, nor our trip around the world with Morgan Biggs. As in former years, Alpha Sigma has been well represented in forensics, and other extra-curricular work. Our Mid-Winter, "So This Is London," proved to be an excellent choice. The cast cannot be complimented too highly for their excellent work.

Joint meetings have been held with our sister society, Theta Epsilon, and only those attending can relate what good times our sisters can show us. Several meetings have been held with the Athenian Literary Society and programs have been exchanged. This wonderful spirit of rivalry should be praised.

Twelve men gain a diploma from Alpha Sigma this year. They are: Crowder, Jeffries, Hammond, Frei, Layman, Harold Miller, Harry Miller, Osborne, Rodgers, Dunn, Conrad and Dance. We hope these men carry with them throughout life the Alpha Sigma Spirit.

Theta Epsilon Literary Society

Theta Epsilon was founded in 1894. Since then she has been steadily progressing toward her goal of usefulness. Each step has meant a broadening of our sympathies and an enlarging of our spheres of friendship. This year Theta took a long step forward and we've been doubly proud of our society. The year opened auspiciously with a play written by one of our senior Thetas—"In a Little Spanish Town." That's one nice thing about Theta; she uses her own talent instead of borrowing elsewhere. The biggest thing of the year was our Mid-Winter, "Old Lady 31."

To those Thetas who are graduating, we would like to say, "Thank you for all you've done for Theta" and to wish for them a wider and fuller sphere of service and happiness in life. To those who are left we commend the keeping of Theta's standards and ideals. The spirit of Theta is the spirit of Maryville.

The Stringed Ensemble has had a very successful season. At almost every appearance the audiences have been very deeply impressed by the talent that composes this student organization.

Maryville boasts of having one of the best musical departments in the South and we can safely say that the Stringed Ensemble has helped make our prestige in musical circles of a high standard.

"The Lucky Break," one of the best plays presented by this organization in recent years, was received with much praise wherever presented this year. This play was given in Maryville, Townsend, and Lenoir City. Under the able direction of Miss Edwards and Miss Scheibler the players were called upon to do their best, and the results that were obtained would be creditable to professional actors.

Y. M. C. A. Fall Hike

OUR Y. M. C. A.

Maryville College boasts of a Y. M. C. A. that is second to none in the South. In the program that has been presented this year, all phases of life's activity have been brought under consideration.

With a cabinet composed of new, inexperienced men, the Y. M. C. A. has given to the students of Maryville College the best and most comprehensive field of endeavor that has ever been presented at this college. Every fellow put his heart and soul into his particular work, and thus enabled the cabinet as a whole to function smoothly.

During the year, the "Y" has sponsored the following activities: three pageants, two fellowship suppers with the University of Tennessee, inter-class sports, which include: basketball, tennis, track, and baseball, life work conference, two mountain hikes, a circus, and stunt and play night.

The speakers that have addressed the Y. M. C. A. this year have been of the highest caliber, and the good that they have done will bring forth fruit throughout the years. Through prayer meetings, song services, social gatherings, and general good fellowship, we have endeavored to bring men to a realization of the real benefits of Christian life.

The February Meetings

REV. RALPH LLOYD

REV. SIDNEY STRINGHAM

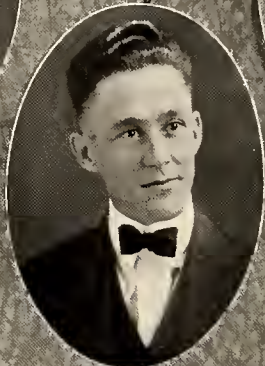

The fifty-second series of February Meetings at Maryville College were conducted under the leadership of Rev. Ralph Lloyd of Pittsburg. Mr. Ralph Lloyd, otherwise known as "Rabbi," is not only a graduate of Maryville College, but one of the best athletes this school has produced. Rabbi saw service overseas and so is well acquainted with men and their ways of life. His messages were simple, sincere, and filled with a beauty that won him the distinction of being one of the best speakers to lead these meetings. The entire student body cooperated with him in bringing the Kingdom of God into a fuller personal reality. We consider this the best series of meetings that have been held on College Hill within the last decade. The good that has been derived will be made known in the future years by men and women who took Jesus Christ as their supreme guide and have stepped into the road, willing and eager to serve Jesus Christ through service to their fellowmen.
